FIVE WITHOUT LICENSES

Four of Them Will Likely Receiv Renewals

There has been much talk about the town regarding the liquor license commissioners not awarding licenses to four houses which held them before, and which have always been well re garded. Those who have not so had their tavern licenses renewed are James Adams, of the Bowen House Hunt Bros., of the Collender House E. Beaupre, of the Hotel Beaupre, and L. Martin, of the Grand Hotel. It seems that the commissioners have

made a personal inspection of al the licensed places in the city, at only yesterday completed their visits to the above named houses. The prob abiliev is, so it is said, that all four will be re-granted their licenses. One against Hon. Frank Oliver. They cer- it.
