To all persons suffering from constipation and indigestion, headache and
backache, and particularly those with
sallow complexions, I would strongly
recommend them to try "Fruit-a-tives"
and faithfully carry out the directions in
the pamphlet, and I feel certain they will
find this medicine simply marvelous. I
might also say that the action of "Fruita-tives" is very mild and non-irritating,
no griping is felt and the stomach is
sweetened by taking them. [Signed] FLORENCE JAMISON.
