CREAMS ONLY

Washington, May 6 .- That the Canadian Pacific railway had been paid half a million dollars a year to cease competing for some business which the United States roads desired secure, was the statement made James J. Hill, president of the Great Northern railway, before the renate committee of interstate commerce, which is giving hearings on the railroad rate question. Mr. Hill there was only one safe basis which a low rate could be made, and that was the low cost of producing

the transportation. There was an interesting discussion to be done to meet the rates and rebates of the Canadian lines.

roads. Mr. Elkins asked what ought gists. "We are willing to work that among ourselves," replied Mr. Hill, "Before we are through with they will cease cutting rates. He said that some years ago the cabinet without portfolio.

Transcontinental Association paid the Canadian Pacific road \$500,000 a year to get out of certain business on which the road was cutting rates from New York to San Francisco. This arrangement lasted only two
