Surely The Better Way. The Toronto News is against the

granting of exceptional privileges to the councils. It notes the applications that have been made to the legislaissue debentures without going to the "There are occasions," it is remarked, "when the legislature should exercise its power to give such permission, but they are very rare is that additions to the debenture debt must be authorized by direct vote of the property-owners. The legislature should compel the civic administra tion to observe that principle, excep when the circumstances are really ur gent or extraordinary." The thought comes home to Kingstonians when they contemplate the plan of the light, heat and power committee to raise the money it desires, for gas extensions, without asking the people to vote upon it. The issue of debentures can be legalized by the lieutenant governor in council, upon the petition of the city council, but the better plan is to outline the work in a by-law, and have the people authorize it, if they will, by their votes.

The Outrage Question.

The registration outrage is to on June 1st. A day, and a few hours the day, are to be devoted to preparation of the voters' list, which has usually occupied several days. Gne polling place in each electoral division is to be used, when hundreds of them were required on the last occasion. The purpose of the government clearly, is to prevent the registration will be unable to effect their object. service in the first instance, and many will forego the privilege if they have to drive twenty-five and thirty miles some further, in order to exercise it. All this will please the government very much. It has in view a election, and it will profit immensely by the old lists which were padded and favourable to it. In Ottawa there are men, in parliament, who profess to be mightily concerned about the rights of the people in Alberta and Saskatchewan, but they have not lost tive in politics, and with it any old

Town Losing Money.

Paris, Ont., has one of the most complete and most compact electric plants. The building is in centre of the town, and it is occupied with a splendid plant, which is either steam or water. So far this year, and since March, the water wheels have been driving the machin

to new Ontario has been virtually a disregarded. The president of the council and graduate of the council and graduate of the construction of the council and the council of the council o

lish Banker. If the great events which occurred

n the Holy Land nearly nineteen einturies ago had taken place on neighbor, Mars, with what intense terest we should regard that planet i in angelic trumpet tones the fact were definitely and unequivocably announced to us. In like manner many of us look upon the flower-bedecked Waitresses at the Russell house, Ot- vales, the rocky eminences, the wave tossed sea of Galilee, and all th other sacred sites of Palestine wit deep regard, which thrill us through In retaliation for the treatment of and through with an emotion which her citizens, China threatens to boy the superbest human productions would fail to evoke.

Who indeed, unless his heart were formed a very adament, could with out a throbbing heart and a moistenhas ed eye, like Mary stoop down and look into that "garden tomb" contemplate that probably, as many now believe, here once lay the lifeless human form of the Divine Founder of our religion? Or who could roam over the slopes of old Olivet, or stand beneath those gnarled old olives of Gethsemane, or wander over those rolling hills of Nazareth, without feeling that he was on holy ground? Aye, and how beautiful, how replete

with charm is that Holy Land. The walk, for instance, from Tiberias up to the summit of the hill on the way to Nazareth-what surpassingly lovely and attractive scenery, what a wealth of all that imparts such a rich fascination to bounteous Nature's lavish beauties. At our feet lies the Galilean Sea, its surface now rippled with dancing wavelets, and gemmed, as it were, with liquid diamonds; or now agitated by foam-crested billows, which break in a thin snow-white line on its sacred shores. Now we are passing through a very blaze bloom a natural parterre of gorgeous splendour; scarlet anemones, and violet salvias, cyclamens and asphodels. richly hued lupins and snowy "Star of Bethlehem," with many another fair beauty of the floral world. And now, after a walk through a cornfield, which we fain would imagine to be the very cornfield through which He walked, we reach the summit, entranced, and beyond measure delight-

And then Jerusalem itself, Jerusale, once the "joy of the whole earth. and even now, notwithstanding th forty sieges which it has sustained, notwithstanding the effete rule of the Turk, and the squalor and the miry grime of much of the interior of the time-worn old city, from Olivet, or from the hill to the south of Gethsemane, presents an appearance of surpassing beauty and sublimity; and the certainty that here the Saviour of the world paid the penalty due by us for our sins, that here, at the hands of the cruel Roman soldiery. He endured those terrible stripes by which we may be healed, and that here, after having accomplished the great atonement, with the triumphant cry Tetelestai-"It is fnished,"-His spiri bounded upwards into paradise, fills us with a flood of gratitude, and causes a rush of allelujahs to surge And as we bid farewell to the sac red land, sweet memories, which wi endure for a lifetime, of all those hallowed spots, of all that galaxy of floral and natural beauty, and of all the pleasant associations of a most delightful trip, throng and cluster our minds, and must ever give a real and an added pleasure to our lives.

THE SECRET OF HEALTH

Rich, Red Blood-Dr. Williams

Pink Pills Make New Blood. Good blood-rich, red blood-is th only cure for such complaints as an aemia, decline, heart palpitation, skip eruptions, rheumatism, kidney trou bles and a host of other every day ailments. Good blood makes you less liable to disease of every kind, strengthens and stimulates every organ in the body to throw off any ailment that may attack it. Good blood is the secret of life, and the secret of good, rich, red blood is Dr. Williams Pink Pills for Pale People These little blood-building pills have saved lives that doctors and nurses have despaired of. They have cured thousands of others-they will you too. Mrs. William Boothe, Mont. rose, Ont., says : "For a couple years my daughter Meta was in failing health. She complained of head aches and distressing weakness, and scemed to be rapidly going into cline. We consulted several doctors but they did not help her. She apparently bloodless, and afraid she would not recover. duced in flesh. At this stage a advised me to give her Dr. Williams Pink Pills, and in a few weeks noticed some improvement dition, and that her appetite was im

proving. We continued the treatment for a couple of months longer, and that time she was again in the best of health. She had gained thirty-two pounds in weight, had a good color, and was in the best of spirits. I do not think I am putting it too strongly when I say I think Dr. William

Pink Pills saved her life. Dr. Williams' Pink Pills do only or thing, but they do that well. They do not act upon the bowels; they do not bother with mere symptoms. They actually make the new, rich, red blood that goes right to the root of the disease and drives it from the system. But you must get the genuine with the full name, "Dr. Williams' Pink Pills for Pale People," printed on the wrapper around every box. All medi cine de les keep these pills or you can get them by mail at 50c. a box or six boxes for \$2.50 by writing The Dr. Williams Medicine Co., Brockville,
