OFFERS YOU \$6,000.00 IN PRIZES

COUNT OUR SUBSCRIBERS IN THE UNITED STATES

is a magazine for women who think and is the only magazine in the world endorsed by OVER THREE MILLION WOMEN, being adopted as the Official Organ of the National Council of Women. It is full of bright stories, clever articles on art, music, literature, with beautiful pictures galore. It stands for 50 subscribers. Count them carefully and then say how many subscribers we have in the United States.

TEST OF SKILL. This is not a lottery, guessing or estimating contest. It is absolutely a test of skill. There is no trick or deception about this, whatever. The dots are visible to the naked eye and can be counted. If you can count the dots correctly and give a good plan of counting them you would win. Your chance of winning is as good as any one's.

\$50.00 IS OFFERED AS A SPECIAL PRIZE TO THOSE SENDING IN THREE COUNTS (SEE CONDITIONS)

A TOTAL OF 757 PRIZES

CONDITIONS 50 cents pays for six months subscription to MADAME and entitles you to three counts and makes you eligible for the \$50.00 prize given to winners of the first prizes if they have three counts. See below.

\$50.00 PRIZES We believe everyone should have one each side of what they think is correct to be more sure to hit it. To encourage this we will give \$50.00 extra to winners of first prizes if they have three counts. Remember, if you have one count you get first prize only, BUT IF YOU HAVE THREE COUNTS AND WIN YOU GET \$50.00 EXTRA.

AWARDS will be made as follows—The person giving correct or nearest correct count will get first prize. Next nearest correct, second prize, etc. In case of a tie for any prize it will be awarded to the person giving best plan for counting dots.

TIME PRIZES We feel early counters should be rewarded and will give \$50.00 to the person sending best count and plan by June 1, you get \$50.00 extra.

JUDGES The awarding of prizes will be wholly in the hands of disinterested judges. The Hon. John W. Hollman, Mayor of the City of Indianapolis, is chairman of the Committee of Judges. We assure our subscribers that we are absolutely fair.

Our Financial Responsibility As to whether we are abundantly able to do as we say, we refer to any Bank or Trust Company in the City of Indianapolis. Our offer will be carried out to the letter. In the event of more than one person submitting the same plan and it being considered the best plan by the judges each person submitting will be asked to tell in fifty words how best to improve MADAME. The one making best suggestion gets first prize, next best, etc. UNDESIRABLE THIS IS ONLY IN CASE OF TIE PLAN, WHICH IS NOT AT ALL LIKELY.

No one connected with MADAME will be allowed to compete. Contract closes July 1, 1905, but get your counts in at once. See about time prize above. ANYBODY HAVING THREE COUNTS ENTERED MAY RECEIVE ADDITIONAL CENTS AT 25 CENTS EACH. BE CAREFUL TO GIVE YOUR PLAN OF COUNTING, as the best plan used will decide all ties.

PRIZES GUARANTEED We will guarantee to give a prize worth one dollar at least, to every person who sends a correct count and \$1.00 for a year's subscription to MADAME.

DIRECTIONS.

- Write your count, name and address very plainly.
- Say just what your count and plan is, without any "ifs" or "ands" — make it plain.
- Be sure to state whether or not you are taking MADAME. Counts must be accompanied by subscription, 50c. pays for six months subscription and one count. \$1.00 pays for one year's subscription and three counts. If you have three counts entered you may enter additional counts at 25 cents each. You get \$50.00 extra if you have three counts and win. It will pay you to have three. See conditions.

THE DOTS The counting is perfectly free. Good counters can count dots into dollars. The contest will not last long. Misses may while the sun shines. There is fun in counting and money besides. Of course, you know how to count. Any child can count. The dots are passing because there are so many. That is why \$50.00 prizes will be given away free to the best counters. The better you count and plan, the better your chances for getting one of the 757 prizes.

The more counts you register the surer you are of winning one of the big free prizes. Anybody having three counts entered may enter additional counts at 25 cents each.

The list of prizes is large. They are worth working for. You have 757 chances. You are as likely as anybody to get first, but if you don't get first prize there are lots of other prizes worth having. It all depends upon you. If you can count and think up a good plan you are likely to win.

Money Must Accompany All Subscriptions.
