THE CITY MAY PAY

PRIVILEGE OF LAYING SEWER PIPE EXTENSION.

The Connection With Proposed Yacht Club Pier—Proposition from Militia Department About Retaining Wall and Walk.

At the board of works meeting, yesterday afternoon, were Aids. Hoag (chairman), Mallen, Sears, Angrove and Ross.

A communication was received from the militia department offering to pay one-half the cost of the retaining wall adjoining the street above Artillery park (on Montreal street) and the usual percentage of the cost of a permanent wall along the property. Mr. Sears thought that the government should pay the whole cost of the retaining wall. The city solicitor desired to know what the committee would do about the matter, so that he could answer the militia department's communication. Aid. Sears claimed that as the government owned the property, and as it would be dangerous without the rebuilding of the wall, the government should be laid over it. The engineer stated that Lieut. Lindsay, of the Royal Engineers here, had recommended the building of the wall, and had made the suggestion as to division of cost. On motion of Aid. Sears, the committee decided to make this suggestion to the militia department. The government build the retaining wall and pay one-half the cost of the wall.

Regarding the request of the city council for a report as to the advisability of continuing the scavenger system on the streets during the next few months, the board of works will report that the engineer has had six scavengers at work throughout the city since the street scraping was finished. On motion of Aid. Sears, it was decided to continue the system, as it had proved satisfactory during the past few years.

The communication of P. Walsh, against street watering on Beach street, between Wellington and King streets, was referred back to council. The case is a special one, Mr. Walsh having 220 feet of frontage to pay for, and only two other houses being on the street. Around him, the other property belongs to the government, which cannot be taxed. Aid. Ross said it was certainly unfair to Mr. Walsh to require him to pay for something that he would get no benefit, nor would others on the street, as the locality is almost uninhabited. There might be other unique cases of the kind, and he would be in favor of some action on their behalf. To do this a two-thirds vote of the council would be required, as the street watering limit by-law has been passed.

The chairman reported on behalf of the sub-committee appointed to enquire into the petition against the widening of the street, between Wellington and King streets. This committee recommended no action, holding that the sewer, recommended by the board of health, should be built. Aid. Angrove moved no action on the petition, and Aid. Mallen moved an amendment that the petition be granted. The motion passed, Aid. Mallen alone dissenting.

On motion of Aid. Mallen, the engineer was given authority to engage an assistant for local improvement work during the next few months at \$80 a month.

The request of John McKelvey, that the works department grant his lane running from East to West streets, between Sydenham and Bagot streets, and charge the cost to him, was granted. The request was also granted of Queen's University for the use of the steam roller to roll the roadway to the new arts building, the university to pay rental and expenses.

On the O'Kill street sewer extension question, the city solicitor's written opinion was read. The solicitor stated that it was quite legal for the city to pay for any advantage derived by laying the extension inside the proposed yacht club pier. After some discussion, it was decided to recommend to council that if the sewer extension is made, the pier be laid inside the yacht club pier, and that the city pay not more than \$400 for the pier.

The board of works expressed the opinion that the O'Kill street sewer should be extended; also that the city council should submit another by-law to the people on the matter.

BOARD OF EDUCATION.

Held Special Meeting to Consider Changes.

A special meeting of the board of education was held, last evening, to consider proposed changes in the rules and regulations. There were present, Trustees, Messrs. Elliott, Elliot, Godwin, Haffner, Lambert, Laturney, Lyons, Marshall, McIntyre, Nickle and Wormwith. The report of the special committee appointed to revise the rules and regulations was presented by Mr. Elliott.

Objections were raised to a proposal to change the inaugural meeting from the third Wednesday to the second Wednesday in January, because it would not give the old board a chance to hold a winding-up meeting at the beginning of the year. Mr. Elliott held that other public bodies concluded their business in the last month of the year, and the board of education could do likewise. The proposed change was adopted.

Another change made was the reduction of the number of standing committees from four to three, eliminating that of library and printing, which had very little to do, and whose work could easily be performed by finance and management committees. This change will not go into effect until next January.

The proposal was made to cut off from the standing school committees the usual yearly grant of \$25 for little necessities. Mr. Elliott pointed out that it was better to leave all expenditures on schools in the hands of the principals and teachers.

The meeting by the inspector, with principals of the public schools, for discussion of regulations, etc., was fixed for beginning of each term. It was agreed that the inspector would be in his office from 10 a.m. till 12 noon p.m., and from 2.30 p.m. till 4 p.m., on the five days preceding the opening of the fall term, for the special benefit of parents.

Those who may be called for by a member before the vote is declared by the chair.

A clause from the Toronto board's by-laws as to the term "the previous question" was adopted. If the motion to put "the previous question" is voted down then the debate can be resumed on the question before the board.

These were the principal changes of the amendments to the regulations concerning pupils and teachers, will be presented at another meeting.

14th Regiment Notes.

Companies No. 1, 2 and 3 drilled last night and 4, 5 and 6 will turn out to-night.

Church parade next Sunday will probably be the largest in the history of the regiment, and will be considerably over 300 in line.

When the 41st Regiment of Brockville attended church parade two weeks ago they invited two officers of that regiment to visit them on that occasion. Major Cunningham, Capt. Mowat accepted the invitation. The local regiment have returned the compliment by inviting two officers of the 41st to visit this city on Sunday.

Kingston Club of Ottawa.

The Kingston Club of Ottawa, has arranged all details in connection with the annual pilgrimage to Kingston. The excursion will be carried out from the K. & O. station by the train being set apart for the benefit of those taking the trip. The excursion will leave Ottawa on the morning of July 29th, reaching Kingston at or about noon, and returning, will pull out from the K. & O. station here at midnight, July 31st. The trip will be advertised all along the line, and steps made at all way points. It is expected that four or five hundred excursionists will be brought to the Limestone City, most of them former residents.

Current Fruit Prices.

The Kingston Fruit company quote the following prices as governing the local fruit market: Bananas, extra, \$1.50; oranges, from \$2.25 to \$3.00; lemons, \$2.50; pineapples, \$3.25 to \$5.75; new dates, 5c. lb.; figs, new, fancy, 9c.; tomatoes, fancy, six carrier baskets, \$3.50; Egyptian onions, 2c. lb.; cocoanuts, 3c. each, or in bags of 125, \$3.50; peanuts, 3c., and 10c.; walnuts, from 9c. to 3c.

SINCERE REGRET

AT THE REMOVAL OF TWO MINISTERS.

Rev. William Service Was Elected Chairman of the Kingston Methodist District—Appointments to Various Committees.

At the Methodist district meeting on Thursday afternoon, it was ordered that all circuits deficient in salary be recommended to the sustentation fund. R. W. Anglin and J. M. Shaver were recommended to attend college. The district laymen presented a recommendation that Inverary and Battersea be united to form a circuit for a married and single man. On motion it was ordered that a committee representing each circuit and the district generally, consider the matter and report to conference. The committee consists of the chairman of district, Revs. Craig, Wood and R. D. Anglin, with laymen from Cataraugus, Elginburg, Battersea and Inverary.

The Outer Depot church was recommended to be attached to Sydenham Street Methodist church.

On ballot, Rev. W. Service was elected chairman in place of Dr. Antliff. Rev. W. J. Wood was elected to the stationing committee.

HELP THE PRINTERS.

For the next five months the Whig will be issued early on Saturdays. Advertisers are asked to aid by preparing their copy for the Saturday paper and having it in the office on Friday. AT THE GRAND.

Mildred Holland.

On Monday, May 22nd, at the Grand Opera House, Kingston, Mildred Holland will appear as Catherine the Great in "The Triumph of an Empress," which has proven Miss Holland's greatest success, and in which she has the best part ever written for her. As Catherine the Great, the impulsive, courageous, willful yet lovable empress of Russia, Miss Holland is superb. Her comedy is irresistible, and her serious moments realistically impressive. Her support is everything that can be desired, and the scenic effects are lavish to the smallest detail.

"My Friend, the Enemy." The comedy to be presented at the Grand, on May 24th, is said to be the merriest kind of a legitimate comedy, depicting the tribulations of a Wall street magnate, deep in the throes of an enormous deal in stocks, and incidentally forced into many embarrassing positions by the over-zealous and blundering behavior of a private detective, as well as the unsatisfied queries of an intensely curious wife.

"The Fatal Wedding." The attraction at the Grand on Tuesday, May 23rd, is the melo-drama "The Fatal Wedding." The company is said to be strong, and the scenic effects appropriate and pleasing.

Six field guns belonging to the 8th Field Battery, of Gananogue, were received here by Grand Trunk, today, from Ottawa, where they have been stored since they were unloaded by men of the R.C.F.A. and will be forwarded to Gananogue.

In reply to a citizen's suggestion in yesterday's Whig, the manager of the 14th band, states that all arrangements have been completed for a band concert in Macdonald Park on the evening of the 24th. From present appearances there should be band music galore on the holiday. The Gananogue and Deseronto bands will perform in the morning, one at the city hall and the other probably in Macdonald Park.

ANOTHER NUISANCE.

HOW THEY DO WRACK THE NERVES.

The Walking Stick Crackers Have Many Citizens Almost Crazy—They Go Off With Startling Effect.

"A Sufferer" writes to the Whig: There is a very strong feeling against this unbearable nuisance, even more intolerable than the dog nuisance, for, it is playing havoc with every one, whether sick or well, and is proving a great source of distress to every one, in this there is no law provided to put a stop to this unbearable outrage? If there is whose business is it to suppress it? Is it to go on with impunity forever and unceasingly? We also want to know if it is legal for the shops to keep and sell these explosives, chiefly caps, bombs, fire crackers, and so on. If it is then nothing can be said by way of objection to that feature, wrong as it is. But surely common sense parents have judgment enough not to furnish their children with toys which would secure this disturbing element, nor to buy them for their youthful offspring. They surely are not unmindful of the suffering to their fellow-citizens caused by this disturbing and dangerous nuisance. There is danger also of fire caused thereby, for it is included in the yards and sheds, as well as on the streets. Let there be a stop put to it, for it is painful in every way, expensive, makes children bold, and therefore a mistaken source of amusement. A word to the wise and well-disposed, ought to be sufficient.

SPORING NEWS.

"Joe" Daly Has Joined the Brantford Fans.

At a meeting of the Oriental Baseball Club, last night, E. Hartrick was elected manager for the season in place of Dr. A. Ross, unable to attend sufficient time to continue the position this year. No captain has yet been elected. The members of the team were never before in such good condition, and they had depended upon to put it all over the Gananogue visitors on Victoria Day.

"Joe" Daley has signed with "Knott" Lee's Brantford team and left, last night, to report for duty.
