SPORTS OF THE DAY

AQUATIC SPORTS HELD IN THE HARBOR.

James Conway Won the Single Cylinder Launch Race-The Horse Races at the Fair Ground Were Quite Close.

The programme of sports put on by sufficiently long to become tedious; large crowds during the day In the morning, the chief place of attraction was the water-front, where the aquation sports were held, the buoy off Folger's wharf being the starting and finishing point for most of the races. A large crowd assembled to witness these sports, which were all well competed, the fast launch races being a much appreciated novelty, and furnishing most thrilling sport. In the double ylinder class, two of the launches struck a gait which is seldom seen these waters, and the accident which caused the breakdown of the So Long in the third lap, was most regrettab as the two faunches looked like mak ing a close finish.
