COUNT OUR SUBSCRIBERS IN THE UNITED STATES

is a magazine for women who think and is the only magazine in the world endorsed by OVER THREE MILLION WOMEN, being adopted as the Official Organ of the National Council of Women. It is full of bright stories, clever articles on art, music, literature, with beautiful pictures galore. Every dot in this map stands for 50 subscribers. Count them carefully and then say how many subscribers we have in the United States. TEST OF SKILL. This is not a lottery, guessing or estimating contest. It is absolutely a test of skill. There is no trick or deception about this, whatsoever. The dots are visible to the naked eye and can be counted. If you can count the dots correctly and give a good plan of counting

them you should win. Your chance of winning is as good as any one's.

Write your count, name and address very plainly

THE DOTS The counting is perfectly free. Good counters can coin dots into dollars. The contest will not last long. Make hay while the sun shines. There is fun in counting and money besides. Of course, you know how to count. Any child can count. The dots are puzzling because there are so many. That is why \$6,000 in prizes will be given away free to the best counters. The better you count and plan, the better your chances for getting one of the 757 prizes. The more counts you register the surer you are of win-ning one of the big free prizes. Anybody having three counts entered may enter additional counts at 25 cents

The list of prizes is large. They are worth working for. You have 757 chances. You are as likely as anybody to get first, but if you don't get first prize there are lots of other prizes worth having. It all depends upon you. If you can count and think up a good plan you are likely to win.
