Politics, Capt. Gaskin said, was at the bottom of it all, but he himself could be above political considerations, and now was going to stand up for Dr. Fee. Polities, he declared, was the curse of

> Capt. Gaskin had quite a good word to say for the grits in past city councils, and reminded his hearers that the grits had appointed three conservative city officials, viz., City Treasurer Ireland, Mr. Bartels, a collector, and the late City Clerk Drennan. In bygone days when a man got sick, his position was kept to see if he would recover. Mr. Miller, mechanical engineer of the fire department, was kept then on for eighteen months, during which his absence than it is from Dr. Fee.

confreres, he exclaimed: Is that the garding milk inspection. The law did not know. Proceeding, he said That's the way I'm built. You say

> Thompson And Reeves. Mr. Thompson said he considered it a crime to dismiss Dr. Fee. He had vet to hear a complaint against him. Dr. Fee had been erratio, but he had

done a great amount of work that he need not have done. He had been most faithful public servant, and complaints against the medical health Thompson jokingly said that he had depended upon as will be seen by the officer. Both the chairman and the to smile to listen to Mr. Reeves talk- following certificate from Mrs. Minnie clerk replied that there were none on ing about Dr. Fee being sick and hav- Jacobs of Houston, Texas: "I hereby ing disease, when that worthy mem- certify that Chamberlain's Dr. Hanley declared that no report ber of the board belongs to a society cholera and diarrhoea remedy neglect on the part of the health offi- protested vigorously against the re- but they did him no good. One bottle ference, calling it blackguardism. Chairman McIntyre said that if Mr. conclusion, Mr. Thompson said Blake's premises were filthy, he alone would only be just for the city to refor so valuable a medicine." For sale was responsible, and the police should cognize the faithful service of Dr. by all druggists. Fee by retaining him

> motion were then taken and resulted in a tie, Mr. McIntyre, Mr. Thompson and Capt, Gaskin voted in Dr. Fee' favor, and Messrs, Reeves, Simmonds and Dr. Hanley, against him. Hence the council's question remains unsettle

> > Mr. McIntyre's Rebuke.

Mr. Molntyre here gave his reasons for voting for Dr. Fee, and, indirectly those trying to put him out of office. Mr. Mointyre explained that on Nov ember 28th last, when Dr. Sands appointed to assist Dr. Fee, he then account of the ill-health of the occupant. Such a proceeding would be cold and heartless. When the board could report the duties of health officer being done in the past six months atisfactorily, Mr. McIntyre claimed it would be a heartless thing to move for Dr. Fee's retirement. An assistant had been appointed, and certainly the duties have not been unsatisfactori ly performed.

Desperate Hunt For Evidence. Capt. Gaskin stated this morning that two members of the board of greater part of Monday desperately congregate. nunting for evidence of flooded cellars. etc., to use against Dr. Fee. They resorted to the meanest of tactics in or der to try and have him retired. The captain points out that the medical health officer is not responsible for unsanitary places, and only acts when reports are made to him. He is no expected to go about the city year, on a salary of \$450, seeing that

time. Dr. Hanley replied that he letter in question was not written by would. Then Dr. Sands said that, no Dr. Fee, nor does he know anything

opinion. Continuing, Br. Alds. King and Walkem, the mover and seconder of the resolution, which had for its ultimate object the retiredoing his work capably and satisfac- ment of Dr. Fee, were not at the city torily, Mr. Thompson asked Dr. Sands | council meeting last evening. Were duties, and he replied that he was. | the matter, which was expected to
