COMMERCIAL MATTERS. What Is Going On In the Busines

World-The Markets. Toronto Railway company's earnings for he first five months of this year have in-reased \$102,413. Victor Gray, of J. H. Dunn & Com-pany, was elected a member of the Mon-treal Stock Exchange.

ugar prices took an unexpected drop-nday, declining 10c. per cwt. for all rades refined. We quote:—Granulated, 5.28; domestic, \$5.18; yellow, \$4.78. Bags are quoted 5c. less. The output of the British Columbia mines for 1904 shows an increase of 8.5 per cent over the figures for the year previous, and with the single exception

of the year 1901 shows a record gross The sand on the shores of Lake Cobalt is to rich in silver that they are shipping it in bags to New York without any previous refining process. It was discovered a year ago, and is marvelously rich. A very rich find of silver is reported at a few miles north of Tomstown. There is to be put through in the near future a gigantic merger of all the electric companies of Montreal. The chief members of the new organization will be the Montreal Street railway and the Montreal Light, Heat & Power Company. There is also some talk of the Bell Telephone company being included, but there is some fount on that point

> Disgraceful Pehavion London, June 7 .- A despatch to

the Telegraph, from Tokio, says that while the Japanese were convoying the surrendered battleship Orel some of the Russian officers and sailors beg haved disgracefully, Capt, Yu Nick was lying in his bunk serioush wounded. They fired a fuse under the magazine near the stern. When it was found by the Japanese a disorderly scene occurred. Eight of the ringleaders were immediately shot. This was the reason the Orel was taken to Maizura instead of Sasebo, as was

The correspondent asserts that the reported barbarity of the Russians in throwing overboard their wounded is exaggerated. It was done without knowledge of the officers. While the vessel was being taken to Japan, about twelve sailors, unable to bear their wounds, cried to their comrades to save them from pain by killing them, and in the absence of Japanese escorts the Russians were thrown in ing, the marriage took place at St. to the sea. The Japanese on board daughter of Thomas O'Riely, 313 Orel was greatly agitated by the sion. The ceremony was performed by reached Maizura was accelerated by
