SWORDS INTO PRUNING HOOKS

A Statue of Christ Made From

In 1900, Argentina and Chile, sister

republics, were on the brink of war

nes. On Easter Sunday Bishop Ben-

avente, of Argentina, made a thril-

ing appeal for a statue of Christ to

guard the frontier, where it could be

seen by travellers between the two

countries. The angry nations calmed

themselves; King Edward, of Eng-

land, was asked to be arbitrator, and

his decision. Then both began to dis-

arm. Chile has turned an arsenal in-

to a school of trades. By reducing

her army and navy expenses she is

spending them in making good roads

much needed breakwater in the harbor

To signalize and perpetuate this vic-

tory of peace, the bishop's sugges-

tion, seconded by the mothers of Ar

gentina, was followed. A colossal

statue of Christ, made of bronze from

melted cannon, was dedicated in 1904,

on the boundary line, fourteen thou-

sand feet above the sea. One hand

holding His cross of sacrifice, the oth-

er uplifted to heaven, the Christ of

the Andes stands on the heights be-

tween the countries, blessing them

both as they rest below Him in peace.

The inscription reads: "Sooner shall

these mountains crumble to dust than

Argentines and Chileans break the

peace which, at the feet of Christ the

Redeemer, they have sworn to main-

The Views of Mr. Haycock on North-West.

Wetaskiwin, Man., Post. J. L. Haycock, of Kingston, Ont. Dominion government inspector binder twine, is registered at Prince of Wales, having just returned rom an extensive inspection of the district east of Wetaskiwin. To Post reporter Mr. Haycock stated he during the past eight years travelled extensively over Manitoba and the territories, and while every locality has its advantages, the dis trict lifty miles east of Wetaskiwin when one takes into consideration the ertility of the soil, abundance of oure drinking water, the ease with which the land can be brought under cultivation, mildness of climate, railway facilities, etc., it stands unrivalled. "I know of no section that offers so many advantages and so few drawover an old dispute about boundary- backs as the district referred to. Asked if he had purchased any land, Mr. Havcock said. "last fall I Mr. Day, of the Alberta Central Land orporation, for the first time Kingston. On his representation and my own favorable knowledge of locality, I purchased, as did man, others of my home city. While having every confidence in Mr. Day, I considered it my duty as a matter of ousiness to take this, my first opportunity, to examine my purchase hence my trip east. I have driven over eleven of the townships controlled by this corporation and examined my own and several other sections purchased by parties in Ontario and selected for them by Mr. Day. I am thoroughly satisfied with the selection made for me and feel assured the others will be equally as well pleased. obtained samples of No. 1 hard wheat and oats at forty-five pounds to the bushel, grown in the district this year." Mr. Haycock is proceeding to the coast before returning to

the east.

Fast Boat Being Built. Bridgeport, Conn., June 17.-A boat s being built by the American and British Manufacturing company, which is intended to be the fastest craft ever made. For some reason all information regarding the boat is withheld It is known that the keel has been laid, and it is to be built after a Herreshoff model; that it will be driven by a fifty horse-power motor, and that it will be able to go forty-six suggestion of Councillor Spoor, knots an hour

The dimensions of the craft cannot be learned, and it is said that only Sproule, will wait upon the city those directly interested will be permitted to witness the installing of the power. It is expected that the new boat will revolutionize torpedo boat

TWO ARTILLERYMEN MET THEIR DEATH.

Gunner Jobb and Driver Rastrick Were the Victims-Their Skiff Upset-Third Member of the Party Saved.

Two members of "A" Battery, R.C. A., met death, Friday evening, by drowning. They were Gunner Jobb and Driver Rastrick, two Englishmen. The former enlisted three months ago Catarrh affects and the latter a month previous. The the liver and kid- circumstances were these : Jobb and Rastrick, in company with often the direct Driver McCarrick, a Scotchman, left

suffering endured o'clock in a light skiff, with Rastrick of the back, liver rowing. About an hour later, when and kidneys, that opposite the malt house, 200 yards from shore, Rastrick tried to change places with Jobb. In doing so, the something else. In skiff upset, and the three men were fact, when doctors struggling in the water. Jobb was disagree, and you a good swimmer, but Rastrick was unable to help himself. These two evidently remained together, as found their legs were wound around separated from their death grip. Carrick started to swim for shore but when half way in was picked up by a passing boat. He could render no assistance to his companions, who sank together, Jobb evidently endeavoring to save Rastrick.

> It was nearly eight o'clock when ce station. Constable Graham took out the grappling irons, and Lieut. Mills took charge of the search party. The grapplers went out in a naphtha launch and a yawl. The police irons were found defective, and temporary ones had to be made. Grappling was continued until midnight, and was resumed at four o'clock this morning. The bodies were found shortly afterwards. Rastrick's face had been bad y cut with the police grappling irons which had passed and re-passed over The bodies were towed to shore and Coroner Kilborn summoned, but inquest will be necessary. Both men were well liked by their comrades were powerfully built, and beween twenty-five and thirty years of ige. The bodies were taken to Corb

will take place Monday morning to Cataragui cemetery, and will be ended by the men of both batteries. Early this morning, when the battery waggon was going out to the scene of the drowning, Driver Rasrick's horse, when near Rathbun's wood yard, started to kick, and broke away. Driver Walsh fell off and wheel passed over him. He was not lay severely injured, however.
