A STABBING CHARGE
ON WHICH EPHRAIM KELSO
WAS ARRESTED.

Thomas Hastings Swore That the
Prisoner Stabbed Him a Num-
ber of Times—Kelso Was Com-
mitted for Trial.

Ephraim Kelso, Vine street, was ar-
rested last night by Police Constables
Arnold and Hastings, on a charge of
stabbing Thomas Hastings, a young
man living on Ordinance street. The
stabbing occurred about two o'clock
Monday morning. No charge was laid
by the young man, who is around with
his hand and arm bandaged, so the
police having heard of the affair made
enquiries, and had a warrant issued.
This morning, the prisoner appeared
before the magistrate and pleaded
not guilty. He was represented by Mr.
Mowat. The county crown attorney
acted as prosecutor. The prisoner was
the only witness. He swore that he
went driving on Sunday evening with
the daughter of the prisoner, and re-
turned with her to her home about
ten o'clock. She would not go home,
so they drove out of the street. The
Westbrook and returned some time
between one and two o'clock Monday
morning. At the corner of Barrie and
York streets, a man sprang out and
seized Kelso. He did not know the
man at first but found out afterwards
that he was Daniel Enright. The man
recognized as the prisoner, but
did not know his name at first.
The prisoner stabbed him with a
knife, first in the hand, and then in the
leg, following up the attack with a
carriage and ran home. He also got
out and went into his sister's yard,
where he got a stick to protect him-
self if another attack was made. His
assailant, however, went off, and he
went to a doctor to get his wounds
dressed. The magistrate committed
Kelso for trial.

MISS ELLA OFF, INDIANAPOLIS, IND.
SUFFERED FOR MONTHS.
Pe-ru-na, the Remedy That
Cured.

Miss Ella Off, 127 Linden St., Indian-
apolis, Ind., writes:
"I suffered with a run down constitu-
tion for several months, and feared
that I would have to give up my work."
"On seeking the advice of a friend,
he prescribed a tonic. I found,
however, that it did me no good. On
seeking the advice of our druggist,
he asked me to try Peru-na. In a few
weeks I began to feel and act like a
different person. My appetite in-
creased, I did not have that wor-
sening, and I could sleep splendidly.
In a couple of months I was entirely
recovered. I thank you for what your
medicine has done for me."—Ella Off.

THE TURF CLUB.
Making Arrangements for the
Meet to be Held Here.

A meeting of the Turf Club was
held last evening when there were
thirty members present. This shows
that a lively interest is being taken
in the organization which may be put
on a permanent footing. Communi-
cations were received from outside
points, indicating that the meet-
ings would be successful. There was some
discussion upon the two local race-
tracks, but it was finally decided to
go to the fair grounds. The track
there will be got into shape at once.
The secretary, Dr. Morgan, was au-
thorized to advertise the meet freely.
These stewards were elected: Mr.
Marshall (chairman), Mayor McFar-
lane, F. Whitney, Alderman Hoag,
Alderman McKay, C. D. Horne, F.
McCue, Alderman Rigney, G. A. Mc-
Gowan, Dr. Morgan, J. M. Shaw, and
James McFarlane.

Chaperon The Boy!
Parents chaperon their girls and
carefully guard them against unwor-
thy boys, but leave the boy to choose
his associates and his achievements.
Girls are naturally winsome, gentle,
companionable. They win their way
in homes and hearts. But the boy,
noisy, awkward, mischievous, is in-
vited into few homes, and feels none
too much at home in his own.
The door that swings oftentimes with
sure welcome to the boy, the door
most often shoved near the fire espe-
cially for the boy, about the only place
where he is sure of cordial greeting, is
where he ought not to go.

SYNOD OF ONTARIO.
Business Considered at Morning
Session.

The Wednesday morning session was
opened by prayer, by the bishop. The
deak and Edw. J. B. Pense, were ap-
pointed discuss Sunday school re-
presentatives.

The registrar presented his report,
detailing deeds and parish registers
received, and episcopal acts perform-
ed, and appointments and resignations.
The communications for the
year numbered 766.

The treasurer reported the consol-
idated fund at \$392,136, an increase of
\$1,518; chiefly through subscriptions
to augmentation fund. The interest
was \$16,842, about four and one-quarter
per cent., and after paying \$956
to rest account and paying expenses,
a dividend at four per cent., was de-
clared. The episcopal fund stands at
\$62,188; income, \$3,308, as compared
with \$3,422, the preceding year. The
balances at the close of the year
were:

DEBIT.
Assessment fund Hastings 393.86
Rectory Lands fund 46.00
Widows and Orphans fund 2,657.27
See House funds 2,667.94

CREDIT.
Clergy Superannuation fund 328.01
Trust fund 1,211.87
Mission fund 4,179.93
Episcopal fund 712.74

The custom of appropriating the in-
terest of the rectory fund to the
welfare of the diocese, and the con-
solidated fund and not allowing the former
account an interest dividend was
challenged, and the matter, after
hearty discussion referred to the
finance committee, for a report. All
else very satisfactory.

The Diocesan Mission Board reported
receipt of \$7,791; grants and expenses
reduced the balance of \$6,073 at the
beginning of the year to \$1,179. Rev.
E. Scamell was voted \$250 in addi-
tion to \$200 from superannuation
fund, in anticipation of his retirement
from active duty, September 30th. The
grants made for current year were:
\$100 each—Wolfe Island, Edwards-
burgh.
\$150 each—Marmora, Shamonsville,
Tweed.
\$200 each—Lansdowne Front, Ernest-
ton, Wellington.
\$250 each—Durham, Augusta, at this
rate till December 1st.
\$300 each—Loughborough, Marys-
burgh, Selby, Westport, Mallorytown,
\$350 each—Parham, Sharbot Lake.
\$400 each—Bancroft, Clarendon and
Palmerston, Coe Hill, Mill Bridge,
Maynooth.
\$500 each—North Addington.
\$125 was voted to meet engagement
with Oxford Mills; \$50 as a special
grant to Glen Miller, and \$25 to Rev.
C. J. Young for Millbridge.
Edw. J. B. Pense moved to amend
by granting an outfit allowance of
\$100 each to the four clergymen lately
appointed to missions—the incumbents
of Coe Hill, Loughboro, Clarendon
and Palmerston, and the general.
After very serious consideration this
return to an old custom, discontinued
because of low state of funds, was
passed with general approval—a sig-
nificant step in the history of the
clergy stipends and better conditions.
Archdeacon Macmorine presented the
annual summary and review of the
state of the church. Statistics are as
dry as dust, but this chairman gives
them some life and interest in a
graceful expression that his report
looked forward to and received with
perfect attention and applause. Twenty-
five changes in parish priests made
a variation in statistics, but the clear
lesson of the returns was that the
Church of England was lately holding
its own well compared with other re-
ligious bodies. It had gained within
fifteen years 660 families in Fronteneau
deanery and 1,875 families in the six
deaneries. The general was general.
Last year: Early communions eighty-
three, and Sunday services twenty-
three, though five missions were vacant,
\$9,000 in contributions and \$3,300 in
improvements, \$1,300 in stipends, due
chiefly to Rev. W. W. Burton, due to
active campaign; besides more general and
careful insurance of properties. Three
new churches were opened, at Har-
lowe, Arden and Elgin. The leaders in
mission and diocesan contributions were:
The cathedral, \$2,000; St. Thomas,
Belleville, \$1,472; St. Paul's,
Brockville, \$1,281.

The annual elections then took place
with these scrutineers in charge:

Clerical Vote.
General synod—Rev. G. Code, Rev.
Charles Masters, H. Priscoe.
Provincial synod—Rev. J. Stanton,
Rev. H. Woodcock, Dr. Preston, B.

CARS LIKELY TO RUN
STREET RAILWAY MAY BE IN
OPERATION

On Monday Next—The Outlook is
Promising—Half the Cars Are
Ready for Immediate Service.

There is a hopeful feeling in regard
to the future of the street railway. It
is thought that the concessions offer-
ed by the city will induce the bond-
holders to operate the road in the
hope that by so doing they may be
able to make it profitable. The general
opinion is that next Monday will
see the cars running over the line
again, and the stillness of the town
will be broken.

The line can be got in operation on
very short notice, almost as soon as
power is turned on and the cars
manned. The tracks are certainly not
in proper condition, but a few days'
running will improve them. The usual
evening of the rail ends would have to
be made, but that is work that can
proceed while the cars are in opera-
tion. As to the cars, half of the open
ones are ready to go before the bond-
holders were locked in March, and the
remainder could be ready in a week.
In the meantime a couple of closed
cars could be used. The fact is that
the people would be satisfied with any
service.

It is taken for granted that the
bondholders, or some of them, will be
the parties that will operate the line.
It is surmised that everything is cut
and dried and that the final word has
only to be spoken. The road will
come from a reliable source that pos-
sibly will be required from the city only
for a short time, as it has been prac-
tically decided to erect a power house
to operate the railway. All these things
are assuming—if they are correct.

The city clerk has as yet received no
written application from Dr. Ball re-
garding the franchise he asked the
city council for on Monday night. It
is doubtful if the city could grant it
at present, and any event it is
more likely to deal with the bondhold-
ers, who are chiefly local men. If the
latter decide to run the cars, the new
franchise will not likely be considered.

MACBETH AT COLLEGE.
The Play Was Very Finely Inter-
preted.

The Whitty Keystone.
An interpretation of Shakespeare's
"Macbeth" which would have proved
go distinctly to Ben Grey's com-
pany, was the quality of that play
rendered at the Ontario Ladies' Col-
lege, on Tuesday evening, before a
most appreciative audience. The drama-
tic personae were exceedingly well
chosen, the costumes appropriate and
the acting superb. Not an important
scene was omitted, and for three hours
the students made the audience feel
they were in the heart of Scotland.
The witnesses of the great regal traged-
ies. The first scene was rather tame,
and seemed to be taken lightly by
both audience and students. The sec-
ond scene presented Miss Griffiths, of
Sydenham, Ont., as Lady Macbeth.
One wondered at first whether a lady
so modest in disposition, would be able
to reveal the character of Lady Mac-
beth. That she surpassed all expecta-
tions was soon admitted. She grasped
the throne as queen, revealed that de-
termined nature which spurred on
Macbeth, and in the sleeping scene
presented the finest piece of acting in
the whole evening. No student could
have excelled Miss Chown, of King-
ston, as Macbeth. Her acting and her
interpretation of the king proved that
she had caught the spirit of the play.
She drew her audience from the first
into the atmosphere of plot and trag-
edy, and disclosed Macbeth's charac-
ter in a most vivid manner. Miss
Johnson, of the drama, and Miss
Gowan, of the drama, were also
excellent.

The last scene of the witches was a
fine interpretation of old English super-
stitions, and the weirdness of this
scene was most effective. Another
brilliant piece of acting was in the
fight between Macbeth and Macduff, be-
tween Seward and Macduff. Miss
Huntzberger, Miss Chown and Miss
Henderson displayed splendid fencing
ability in this act. Not a part was
poorly represented. The articulation
of each student made it possible to fol-
low the play with pleasure, without
any printed copy. Miss Teskey, who
has charge of this department, and
the students deserve every praise for
such a rendering of that well-known
Shakespearean play. Miss Macdonald
announced the scenes, recalling to the
audience the general outline of each
in turn.

Westbrook Waits.
Westbrook, June 20.—The recent
heavy rains did considerable damage
to grain in low places, but prospects
for hay were better. George
Gates and D. Sheehan were fishing at
Sydenham on Tuesday and Wednes-
day and met with success. Mrs. G.
W. Smith and Mrs. Maggie Kenny
spent part of last week visiting
friends at Niagara, Deseronto, and
Marysville. Mr. and Mrs. James
and Mrs. Brown. Hay Bay, spent a few
days last week at Joseph Howie's.
Miss Edith Saunderscook, who was
quite ill, is convalescing. Mr. and
Mrs. F. McCormick and daughter Ple-
sine, Sharpston, spent Sunday last with
Mrs. Kenny. Strawberries promise to
be very plentiful. Mrs. Fallon, King-
ston, and little grand-daughter, Car-
mell, is spending this week with the
Misses Sheehan. Mr. and Mrs. J. R.
Smith and Mrs. J. Gardner, King-
ston, visited friends at Enterprise on
Sunday. Mr. and Mrs. A. Howie
visited friends at Bath on Sunday
last.

Archbishop's Memorial.
The committee of Ontario Synod,
to work for a memorial to the late
Archbishop Lewis, has held two meet-
ings, following the conference of clergy
and laity. Edw. J. B. Pense was
elected chairman; Rev. W. W. Burton,
clerical secretary; Col. McGill, treas-
urer. A lay secretary will be chosen
by the Kingston members of commit-
tee. Already Napanee and Tamworth
parishes have pledged \$50 each, and
Tweed has sent in \$14. A very kind
feeling towards the testimonial is
evident in synod.

DEATH OF AN OLD LADY.
Sydenham lost one of her old resi-
dents last evening when Mrs. James Fer-
guson died at her residence, Thurs-
day, June 15th, of heart failure. She
had a stroke of paralysis on April
13th, which left her in a weak state,
although she rallied sufficiently to be
around again. Her health was so
critical, however, that her sons in the
west, who had not seen her for some
years, were advised to come home.
They reached her bedside on Wednes-
day night, while she was still uncon-
scious, and she knew them and con-
versed with them for some time and
before retiring. Although there were no
outward signs the meeting must have
been a happy one, for her spirit
her daughter found her last evening
had fled. She leaves to mourn a hus-
band, five sons and three daughters,
John H., of Watertown, N.Y.; Syl-
vester and Andrew, of Portage la
Prairie, William of Canajoharie, Thom-
as of Pittsburg township; Mrs. John
Gibson of Inverary, and Mrs. William
Davy and Mrs. Albert Blakley, of
Sydenham. The deceased's maiden
name was Sarah Chilton, she was
seventy-three years old and had lived
in Sydenham for eighteen years.
For a great many years she was a
consistent member of the Methodist
church, and her presence and devo-
tion was a blessing to many.
The death of this estimable lady is
a great loss to a family where she
was a devoted mother and her death
carries profound sorrow to a large
circle of relatives and friends. She
was carried to her last resting place
by her five stalwart sons and son-in-
law, and buried in the cemetery at
Sydenham.

Dramatic Proclaiming.
No more dramatic event has happen-
ed in Russia than the recent issuing
of the imperial ukase at midnight in
the supreme moment of the religious
festival of the year. Every church,
from the Great St. Isaac's and the
smallest place of worship in the empire
that night, watching for the moment
of the resurrection, when the greatest
proclamation of liberty which has
been issued in the day when Alex-
ander II. struck the fetters off millions
of serfs was made public. On the day
before it was a crime for any one to
worship God save according to the
rites of the Russian Church. Those
able to do so, and those who were
worshipping with closed doors
and behind barred shutters. About
ten or twelve million dissenters were
liable to punishment for refusing to
join the Russian church, thousands
of men and women married by priests,
but who belonged to the Old Beliefs,
were treated as though living in
open immorality; but that night they
were declared to be duly wedded. Only
to one and people was no mercy grant-
ed. The laws alone have received no
relief, although it is universally be-
lieved that some concessions are in
store for them which it was inadvis-
able to make public at Easter. The
strong mind of the czarina is said to
have prompted the act of religious
freedom.

Thief Is Charged.
The young man named Prevost, of
the Army Service Corps, arrested on a
warrant from Ottawa, was taken to
that city this morning by Detective
O'Meara, who came here yesterday af-
ternoon. The charge against Prevost is
that of a WREATH, though the of-
fence is perhaps not so serious as
would appear from the charge. The
young man has been here three
months, coming from Ottawa.

New Century—the most wonderful medicine ever dis-
covered, according to the latest scientific researches,
cases cured in one month in Paris. The National
Medical Bureau has recommended this Remedy for use
in the most delicate cases, as well as in a majority of
the most terrible forms. In Europe the remedy is
endorsed by all governments and is now used as a
specific in the great standing armies of France
and Germany. Stomach issues in from seven to ten days
as that they never return. Drains entirely clean
after a few days' treatment. The skin becomes clean,
the eyes bright, confidence returns, hepatic bowels
regular, the mind becomes bright and active. A food
for brain and blood. A permanent cure no matter
how chronic the case. Just send us today your name
and address plainly written and a 5 days treatment
of Restorine in its most palatable form. We will treat you
with success and with honest confidence.

SPONTANEOUS GENERATION.
A Possibility by Action of Ra-
dium.

London, June 21.—Scientists are
much interested in a preliminary
statement by J. B. Burke, of the
famous Cavendish laboratory, Cam-
bridge, claiming that he has almost
certainly demonstrated the possibility
of spontaneous generation by virtue
of the action of radium. He began ten
years ago experimenting with the
phosphorescence of cyto-gen, which
life. He tried to grow it in a culture
medium, without result. Later, observ-
