PRESIDENT ROOSEVELT.

To Follow Teachings Of Socialism.

THE EXISTING LABOR ORGANIZATIONS.

Debs to The Front Again-The New Organization to be Called The Industrial Union-Will Introduce New Methods.

pecial to the Whig. Chicago, June 27.-The organization of an international labor union, whose trend shall follow the teachings of socialism, is the purpose of gathering of cago to-day. The king pin of the movement is Eugene-V; Debs, the organizer of the now defunct American Railway Union, and late candidate for president of the United States on the socialist-democratic ticket. The new organization is to be launched under

the name of the Industrial Union. The new movement makes no concealment of its antagonism to existing labor organizations and methods, particularly the American Federation of Laborsand the United States Mine Workers. After attacking the present system of labor organization and prohibitive initiating fees, the official call

EUGENE V. DEBS.

for the convention which assembled to-day makes the declaration that "class divisions foster political ignorance among workers, thus dividing them at the ballot box as well as in the shop, mine and factory." Continuing the call says:

"Craft unions may and have been used to assist employers in the establish- the Russian staff denies this, ment of monopolies and the raising of Traders coming from Bedouin sa orices. They permit the association of that the Japanese are advancing the misleaders of the workers with the that direction from Simmintin. capitalists in the Civil Federation, where plans are made for the perpetuation of capitalism and the permanent enslavement of the workers through The Very Latest Culled From Al these conditions must consist of one great industrial union, embracing all industries, providing for craft autonomy, industrial autonomy internationally and working-class unity gener-Brewers' Mills, 9.45 a.m.; Seeley's Bay, ally, It should be founded on the class

The Debs movement has the active co-operation of the Western Federation of Miners a large and influential organization which has of late years offered serious opposition to the American Federation of Labor. Debs and his associates declare that the Inwith a membership of 600,000. The ofsocialism, "signifying that regardless of the color of the skin the blood of
