For Ten Years.

### Cured by Four Bottles of Burdock Blood Bitters.

Mrs. N. Peister, of Brighton, Ont., was Cured Two Years Ago and Has Had No Return Of It Since.

Read what she says :- "It is now about two years since I was cured of a terrible attack of Erysipelas, with which I had been afflicted for about ten years. I had tried almost everything, including medicine from several doctors, but could get no relief. I had given my case up as hopeless, but I procured five bottles of Burdock Blood Bitters, and it completely cured me. In fact, the cure has been permanent. It is now two years since I took Burdock Blood Bitters, and I have not had the slightest sign of the disease returning. I fully believe that your wonderful remedy has taken it so completely out of my system that I shall never be bothered again with it. I have the greatest of faith in Burdock Blood

Illasta-Vita "The Perfect Food," malt life, as its name implies, stan for that intense vitality that results from the datuse of a food skilfully prepared from the vihole of the wheat, of whice after being cooked, each kernel has been subjected to the searching. This makes it a "predigested" food of highest nourishment vs which explains the remarkable results of tained in cases of nerv ebility, deranged stomachs and constination.

"We have used several boxes of Malta-Vita and think it the finest food we have tried yet. Having used different kinds, we find Malta-Vita has a flavor which excels all others. We had almost despaired to find something our baby could eat without being distressed. He had, since birth, been a constant sufferer from constipation and a general derangement of the stomach and bowels. Since we began feeding him Malta-Vita he has improved wonderfully in health and is entirely cured of constipation. In fact, myself and husband realize a great benefit since using the food, as we have suffered from general debility. We find it gives life and tone to the entire system."
