Canteen Abolished A military patrol was seen march ing the streets this morning, and aroused considerable interest among citizens. The cause was some five volunteers who landed in the toils, last evening, as a result of too good a time in town last night. In reference to the matter, a military man pointed out that owing to the influence exerted by members of the W.C.T.U., the canteen had been abolished at camp this year. He pointed out that the men instead of going quietly to the canteen and getting a glass of beer as in former years, now come to town, and knowing they could secure no liquid beverage after their taste when they returned, were very liable to inmixed up, "Besides," a bystander remarked, "there might be some sense in abolishing a canteen in other camp but here the men have only to walk as far as Barriefield to secure all they want of liquor, and some don't hesitate at that short walk either.'

# THE FIRST STEP

Using Smith's Triple Cure.

The first point in the treatment of dyspepsia

is to remove the cause - to cure the catarrh which causes the dyspeptic condition. When your stomach is strained from overwork, while you eat too much and too often, you must pro-vide relief by removing the burden. Chronic dyspepsia or indigestion in the majority of ases is due to catarrh of the stomach. Smith's Friple Cure cures dyspepsia because it cures starrh wherever located.
