From Our Own Correspondent Chicago, June 26,-Dr. John Adams, of London University, is one of th oted lecturers at the University hicago series of open lectures and Northern Illinois, Alexander Binnie, Willis, Daisy and Susie. Mr. Binnie was born in Kirkiston, Scotland, in 1829. When eighteen years old he arrived in America, and came to Chiago. At the time, he later told friends, he was without money, even owing for his transportation from Scotland, Soon he earned enough money to buy land near Dundee, and he left Chicago. At his death he was the wealthiest farmers llinois. Charles Maurice Howell, this ity, formerly of Paris, was quietly narried to Miss Harriett Waring, seond daughter of Mr. and Mrs. I Shawcross, of that place, Saturday afternoon. The ceremony was performed by Rev. T. A. Wright, rector St. Jude's, Brantford. Mr. Mrs. Howell left to spend a few days n Toronto, after which they return their home in this city. Frank Logoller, of Gault court, was shot and dangerously wounded, last night. his uncle, Frank Bulzano, because he had cast reflections on his wife. The shooting occurred in front of the latter's residence, on Oak street. Early yesterday morning the police Joseph Rock unconscious on the sidewalk in front of a saloon on Southport avenue. His skull is fractured, and he is suffering from numerous bruises and cuts on his body. No money was found in the man's dothing. The police can find no clue led to Rock being in the condition he was when found. Declaring that he would stand bad cookng if restored to freedom, Michael Krustem, who was arrested Wednesday morning by the police of the South Chicago station on warrants served out by his fiancee, Mary Kruman, who charged that Krustem attacked her, because she could not prepare a meal to suit him, was married to the complainant by Justice Callahan, in South Chicago police court yesterday morning. Roy Mc Lean, colored, was shot and seriously wounded by another colored man at La Salle avenue, vesterday morning The shooting was said to be the culmination of a "crap" game on the docks on Sunday. Entry may be made personally at the local land office for the district in which the land to be taken is situated, or if the homesteader desires he may, on application to the Minister of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, or the Local Agent for the District in which the land is situated, receive authority for some one to make entry for him. A fee of \$10 is charged for a homestead entry.

HOMESTEAD DUTIES A settler who has been granted an entry for a homestead is required by the covisions of the Dominion Lands Act, and the amendments thereto, to perform conditions connected therewith, unde one of the following plans : (1) At lease six months' residence upo and cultivation of the land in each year during the term of three years. It is the practice of the Department to require settler to bring 15 acres under cultivation, but if he prefers he may substitute stock; and 20 head of cattle, to be actually his own property, with buildings for their accommodation, will be accepted instead of the cultivation. (2) If the father (or mother, if the fa her is deceased), of any person who is eligible to make a homestead entry unde the provisions of this act, resides upon a farm in the vicinity of the land entere for by such person as a homestead, the

requirements of this act as to residence prior to obtaining patent may be satisfied by such person residing w th the father or mother. (3) If a settler was entitled to and has obtained entry for a second homestead the requirements of this act as to residence prior to obtaining patent may be satisfied by residence upon the first homestead, if the second homestead is in the (4) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements of this act as to residence may be satisfied by residence upon the saidland. The term "vicinity" used above is meant to indicate the same township, or an adjoining of cornering township. A settler who avails himself of the provisions of Clauses (2), (3) or (4) must cultivate 30 acres of his homestead, or substitute 20 head of stock, with buildings for their accommodation, and have besides 80 acres substantially feaced. The privilege of a second entry is restricted by law to those settlers only who completed the duties upon their first homsteads to entitle them to patent on or before the 2nd June, 1889. Every homesteader who fa is to comply with the requirements of the homsetead law is liable to have his entry cancelled, and the land may be again thrown open for entry.
