To Hinge On Indemnity. London, July 18.—The St. Peters ourg correspondent of the Standard ays there are reasons to believe that the peace negotiations will centre on the amount of the indemnity to be paid to Japan by Russia. The ministers, the correspondent adds, are now studying the question of who will supply the amount when it is fixed and also the funds for the re-establishment of the government after the war. The correspondent claims to know that two financial syndicates have al ready declared their willingness English and the other German.

M. De Witte's Statement. Witte, the senior Russian peace plenidiated the interpretation of his appointment as an indication that Rusprice.
