The Canadian North-West. HOMESTEAD REGULATIONS

Any even numbered section of Dominion Lands in Manitoba or the North-West Territories, excepting 8 and 26, which has not been homesteaded, or reserved to provide wood lots for settlers, or for other purposes, may be homesteaded upon by any person who is the sole head of afamily, or any male over 18 years of age the extent of one-quarter section of 160 acres, more or less.

Entry may be made personally at the local land office for the district in which the land to be taken is situated, or if the homesteader desires he may, on application to the Minister of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, or the Local Agent for the District in which the land is situated, receive authority for some one to make entry for him. A fee of \$10 is charged for a homestead entry. HOMESTEAD DUTIES;

A settler who has been granted an entry for a homestead is required by the provisions of the Dominion Lands Act, and the amendments thereto, to perform the conditions connected therewith, unde one of the following plans:

(1) At lease six months' residence upo and cultivation of the land in each year during the term of three years. It is the practice of the Department to require a settler to bring 15 acres under cultivation, but if he prefers he may substitute stock; and 20 head of cattle, to be actually his own property, with buildings for their accommodation, will be accepted instead of the cultivation.

(2) If the father (or mother, if the fa her is deceased), of any person who is eligible to make a homestead entry unde the provisions of this act, resides up a farm in the vicinity of the land entere for by such person as a homestead, requirements of this act as to residence prior to obtaining patent may be satis by such person residing with the father or mother.

(3) If a settler was entitled to and has obtained entry for a second homestead the requirements of this act as to residence prior to obtaining patent may be satisfied by residence upon the first homestead, if the second homestead is in the

(4) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements of this act as to residence may be satisfied by residence upon the saidland. The term "vicinity" used above is meant to indicate the same township, or an adjoining of cornering township. A settler who avails himself of the provisions of Clauses (2), (3) or (4) must cultivate 30 acres of his homestead, or substitute 20 head of stock, with buildings for their accommodation, and have besides 80 acres substantially feaced. The privilege of a second entry is restricted by law to those settlers only who completed the duties upon their first homsteads to entitle them to patent on or before the 2nd June, 1889. Every homesteader who falls to comply with the requirements of the homsetead law is liable to have his entry cancelled, and the land may be again thrown open for entry. APPLICATION FOR PATENT

Should be made at the end of three years, before the Local Agent, Sub-Agent of the Homestead Inspector. Before making application for patent, the settler must give six months' notice in writing to the commissioner of Dominion Lands at Ottawa of his intention to do INFOR MATION

Newly arrived immigrants will receive at the Immigration Office in Winnipe formation as to the lands that are open for entry, and from the free of expenses, advice and assistance in securing lands to suit them. Full information respecting the land, timber, coal and mineral laws, as well as respecting Dominion Lands in the Railway Beit in British Columbia, may be obtained upon application to the Secretary of the Department of the Interior, Ottawa; the

Lands Agents in Manitoba or the North-West Territories.

N.B.—In addition to Free Grant Lands, to which the Regulations above stated refer, thousands of acres of most desirable lands are available for lease or purchase from railroad and other corporations and private firms in Western Canada

Nine out of every ten men have been guilty of transgression against mature i their youth. Nature never excuses, no matter how young, thoughtless or ignorant he may be. The punishment and suffering corresponds with the crime. The only escape from its ruinous results is proper scientific treatment to counteract its effects. The DRAINS, either by nightly losses, or secretly through the urine, must be stopped—the NERVES must be built up and invigorated, the blood must be purified, the SEXUAL ORGANS must be vitalized and developed, the BRAIN must be nourished. Our New Method Treatment provides all these requirements. Under its influence the brain becomes active, the blood purified so that all pimples, blotches and ulcore disappears the negrous because attendance as that

blotches and ulcers disappear; the merves become strong as steel, so that nervousness, bashfuness and despondency disappear; the eyes become bright, the face
full and clear, energy returns to the body, and the moral, physical and sexual systems are invigorated; all drains cease—no more vital waste from the system. The
