RETURN GAME CLOSE NEWBURGH FELL BEFORE CAMDEN EAST.

Death of Miss Fullerton—Many Visitors to and from the Village—Passed Her Medical Examination—Candidates for Entrance.

Newburgh, July 18.—On Thursday evening the return game of baseball between the Camden East and Newburgh teams was played on S. J. Yeoman's field, the visitors winning by 8-3. Owing to the darkness only six innings were played. Barring the second innings it was a close and interesting game. In that innings the first two Camden East men were easy outs. Then the fireworks commenced. The visitors fell on Dunn's offerings for ten hits, which netted seven runs. While there were a few pieces of rank fielding during this exhibition, the hits that made most of the runs were long drives to the outfield, out of the fielder's reach. The visitors hit the ball when hits meant runs, a feat the locals could not accomplish. The home boys did not score until the third, when Dunn made two bases on three strikes, went to third on Moore's drive, and hit out of the park on Earl Shorey's out at the initial sack. No more runs came until the sixth, when the locals scored two by a batting rally, which unfortunately was short-lived. W. E. Dunn, pitched for the locals and was quite effective in the boy for the visitors and after the second innings. Roy Smith kept the hits well scattered. The features of the game were two catches, one by Salisbury, of the visitors, who made a nice running catch, and the other by Sutton, of the locals, who, by running back of second, made a nice catch in the semi-darkness. A Camden East man started to do the umpiring, but it was such a poor attempt that he was replaced by a Toronto traveller, shortly after he had given an unfair decision at second. The new umpire was right on the job and gave perfect satisfaction. The following are the scores: Camden East, 3; Newburgh, 8. Batters: Camden East, Dunn, P.; Shortz, 1b.; Sutton, 2b.; Loucks, s.; Hubert Ryan, 3b.; Harold Ryan, r.f.; McNeil, c.f.; E. Shorey, 1b.

She had been engaged, Miss Sarah E. Horton died yesterday morning after a week's illness. The late Miss Fullerton had been ill for some time, but still was able to be out. About a week ago the illness became more acute and her sufferings early yesterday morning. Deceased was quiet, unassuming in manner, beloved and respected by all who knew her. She leaves three brothers, Joseph Fullerton, this village and Alfred and William Fullerton, Brockville, and one sister, Mrs. Gibson, this village. The funeral service will take place on Wednesday afternoon at 2 o'clock.

The result of the entrance examination held here were announced yesterday. Of sixty-six candidates writing at Newburgh, fifty-six were successful. Ten of these were from our public school. F. D. Moore and W. B. Dunn, helped Yankee baseball team bump the Kingston nine on Saturday. Mrs. Estinger and family, Kingston, are expected to-day to visit relatives here. NEW HOTEL AT ARDEN

Is Likely to Draw a Number of Tourists.

Arden, July 17.—The farmers have commenced harvesting their hay which is an abundant crop. The glorious 12th was celebrated at Arden by the local Orange lodge and two visiting lodges, viz., Mountain Grove and Cloyne. The absence of drunkenness and the attendant roystering of the same was a most pleasing feature of the day, and is a cause of congratulation. The speeches of the day were delivered in the Methodist church, the speakers consisting of the members of the lodges represented. The dinner given by the Methodist church under the large tent realized about \$80. Lakewood Hotel, an up-to-date summer resort under the management of J. L. Heath, is now in full blast. The following are the present guests. Mr. and Mrs. Griffith and family, Toronto; Mr. and Mrs. Samuel, and Miss Mabel Kemp, Estey, Ont.; Mr. Stone, Toronto; and Earl Stoddart, Montreal. City Engineer Rust, of Toronto, is expected this week. Lakewood Hotel is a new departure in the life of this stirring little village, but promises to be a most desired success. Lakewood hotel was erected by our enterprising citizen, W. W. Pringle, inspector of colonization roads, and not only adds greatly to the appearance of the village, as it is in a most desirable location, but it is a promise of adding greatly to the reputation of this section of the country as an ideal spot for summer tourists.

The local lodge of Prentice Boys has decided to hold a picnic at 21st August at Arden. Mrs. William Scott, who, it was thought, would have to undergo an operation for appendicitis, is much better. Master Garfield Woodcock is at the Kingston hospital with typhoid fever. Mr. Hall, of Rockton, has located here for some time and is engaged in buying and shipping horses to Toronto. Mrs. Hayes, of Port Hope, who suffered for some months past with dropsy, died on the 14th inst. The funeral was on Friday last at the Methodist church, and the remains placed in the Port Hope cemetery. Miss Frankie Mosier will be married on Wednesday of this week at Westport. The guests of Mr. and Mrs. E. Wood, of Tamworth, are the guests of John Hayes, Rev. Mr. Penton, after an absence of two Sundays through indisposition, took his work here again on Sunday morning last. Miss Fies, of Westport, who have been visiting friends at Mount Vale, have returned home.
