TEEFHING ECZEMA

Bring Much Suffering to Babies and Young Children. Certain Cure in Dr. Chase's Ointment.

In the home where there are young children Dr. Chase's Ointment is found useful almost every day of the year. During the teething period, especially there is aimost sure to be an attack of eczema, scald head or some form of itching skin disease. Besides the keen distress which such

ailments bring to the little ones, there is always the danger of eczema becoming chronic and clinging to them There is no reason for any child to suffer in this way so long as Dr. Chase's Ointment is obtainable, for it is a prompt and thorough cure. Only a few applications are required

to bring relief from the itching, stinging sensations, and the skin is left in O a clear, smooth and healthful condition. Dr. Chase's Uintment, Mc. a box company, Toronto.
