Who never to himself hath said, This is my own, my native land! Whose heart hath near within him

As home his footsteps he hath turned From wandering on a foreign strand!" The unspoken, but implied, answer vidual is a rarity and, if found at all. in lacking in one of the just as the heart of the student in pride and fond affection to Alma Mater, where his intellectual ture was quickened and moulded. glories in the traditions, and cherishes the memories of "Queen's" "Victoria," so the heart of man

and of the coming of evening shadows reminding us that "here we have no continuing city," but are moving on a city which hath foundations whose builder and maker is God. I rejoice in the thought that whererywhere turns in love and attach ever we may be, in whatever city or ment to the land of his birth and the clime we may dwell there is a path leading to the eternal city, with a Perhaps the best illustration of ar gate of pearl opening upon it, for we dent patriotism to be found in are told that "the new Jerusalem lieth our local experience. man history is that of the Jewish four-square, having on the north three gates, on the south three gates, on the triot. To him there was no countr on earth to compare with Palestine and no spot like Jerusalem. As city it was in his eyes "Beautiful for ituation, the joy of the whole earth." It enshrined all the best traof his people and the most

glorious hopes of his nation. patriation, banishment from it. the greatest calamity that could befall him. Wherever he might be, to what ever point of the compass he might wander, his heart turned in reverend affection to Jerusalem as the "city of the Great King." Daniel in Babylon, the exiles by the bright river Chebar, reverently turned their faces toward Jerusalem to worship, while Nehemiah and Ezra, though enjoying positions of trust and honor, and emolument, trate themselves before God in fasting and prayer on its behalf, and the way being opened up for its succor at once sacrifice ease and comfort, civil promotion and honor, that they may re-

store Jerusalem, rebuild it's temple and reinstate its worship. Such was the patriotism of individuals among this remarkable people, but in this psalm we get a glimpse of the national heart, the intense love of the masses for Jerusalem. They had been expatriated by Nebuchadnezzar, had been carried captives to Babylon, and the psalm depicts their forlorn and dispirited condition, and the yearning of their souls for the city of their love; "By the rivers of Babylon there we sat down, yea, we wep when we remembered Zion. We hanged our harps upon the willows in the carried us away captive required of us we sing the Lord's song in a strange land? If I forget thee, O Jerusalem, let my right hand forget her cunning. If I do not remember thee, let ice. Any other way is, at the best, a very pleasant evening and my tongue cleave to the roof of my but a make shift."

mouth; if I prefer not Jerusalem above my chief joy." And this is still the sentiment and yearning of this remarkable people. Though a nation the pavilion in Lake Ontario Park tributed in the four quarters of the globe, they still long and earnestly pray for the time when "the ransomed gramme, which was thoroughly enof the Lord shall return and come to Zion with songs and everlasting joy their coon sketches were very This spirit of patriotism, this love Miss Mortimer delighted her admirers by her rendition of "I'll Be True To We our birth, is a modern as well as an ancient virtue. Though it may vary.
