Japanese Demands Now Known.

THE NEGOTIATIONS CAN SUCCEED.

Japan Wants Indemnity Territory - A Chance of Compromise Over the Question of Indemnity-No Further Session Before Monday at Least.

Portsmouth, N.H., Aug. 11.-The Japanese peace terms are at last are regarded by the czar's envoys as unnecessarily severe and humiliating. but there is yet a lingering hope of a annexation to Montreal, and the par- of the last census of the dominion, who "jumps the gap" during a cirhowever, if one is to judge from the expressions of apprehension and dismay uttered in the Summer hotel annex, where the Russians have their to, voted against an increase in the quarters. Although not officially announced it is learned that Japan's been submitted to the lodges.

in carrying out their instructions in The cession of Port Arthur and regard to the work to be performed at the Liao Tung peninsula to Japan, The evacuation of Manchuria; The cession of the Island Sagha

The control of the Russo-Chinese railroad as far north as Harbin; No demand was made for the dis mantling of Vladivostok or recognition of a tranfer of Japanese authority over Korea.

More astonishing to the Russians than any other thing in the statement of terms, submitted by Baron Ko mura and Mr. Takahira, was that the Japanese did not ask for any specific indemnity. The Japanese do make it plain, however, that they expect to be compensated for the losse; incurred by them in their conflict with Russia, which is interpreted, in some quarters to mean that the European belligerent is expected to pay in full for the enormous expenditures which Japan has made but the failure arranged by the committee was subof the Japanese to insist upon the mitted to the subordinate lodges and payment of a specific sum holds out a adopted by the grand lodge, Toronto exists among many of the Russian | the addition of Newmarket and Aurepresentatives that it admits of dis- rora, Smith's Falls and Merrickville cussion.
