Range Responsiveness

Promptly responsive to your every demand, the Imperial Oxford Range never sulks or keeps you waiting. Its oven is ready when you expect it. An accurate Oven Thermometer tells you just

when the required baking or roasting heat has been attained, and this is easily kept up. The reason the

IMPERIAL OXFORD RANGE is so responsive and easily managed is because the fire-

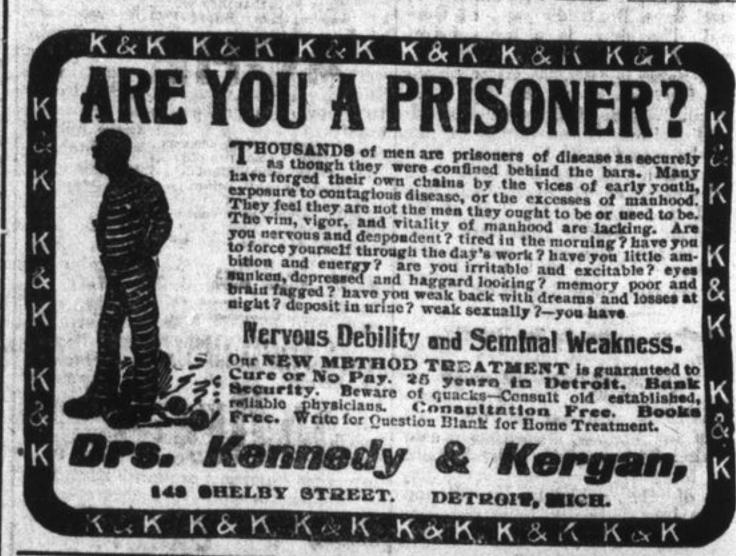

pot, draught dampers and flues are constructed, shaped and arranged just as they should be. It's a pleasure to operate such a range. Our Diffusive Oven Flue and our patent Draw-out Duplex Grate are other special features of the Imperial

Oxford Range. It is the heaviest, handsomest, most economical range, and its oven is guaranteed to be the best. If your dealer cannot show it, write us direct, and we will send you full particulars and the name of the nearest dealer who can.

People who prefer a Steel Plate Range will find our Oxford Chancellor as perfect in every way as such a range can be made. The Gurney Foundry Co., Limited
