The tortured beast is stabbed, ing scene to the average foreigner. After this performance has continued for some time, men come into the ring with long darts and drive them into ng weaker. Then the critical ment arrives. The climax is welcom-

forth. It is his business to finish the bull. Armed with a long sword, he drives it into the beast, sometimes fully a foot. The most skilful "matais the one who can deal such a blow that a second is not required to end the fast ebbing life. Thus ends the bull fight.

bull fight, for the crowd have not been satisfied. On the afternoon that our formant witnessed the scene, six bulls were killed in succession, and nineteen horses gored to death in the process, Of the picturesqueness of the scene much might be said. In the manners, costumes, etc., of the gathering there is much that is new and exciting the American, but all this is overlook ed when the thought of how the best cople in the land, the highest social and intellectual strata, become such a wild and cheering mob in the presence of such revolting butchery.

NO REASON FOR IT.

Montreal Witness Speaks of Proposed Fort.

There is no particular defensive reaon why a battery of the new heavy fortifications, never of much account, Wherenow, from T. I. Park. facing land side. This necessitated equalled those of two years ago, the erection of several outworks at ment. In fact, the fortifications of Kingston were muddled from the very Contingent from Kingston Y.M. tion of military experts, of any real ege. For this purpose Kingston admirably situated.
