TYLER Mrs. L. E. Tyler, Santa Monica, Cal., Secretary Santa Monica Musical Society, writes:

"I was troubled for over three years with systemic catarrh, complicated by female weakness and inflammation. "This induced frequent headaches, nervousness, hysteria and sleeplessness, which nothing could relieve until I tried Peruna.

"I began to feel better after I had taken the first bottleful and improved from week to week until at the end of about eleven weeks I was entirely well. "I am pleased to say that I have enjoyed splendid health now for nearly a year. I have a fine appetite, enjoy sound sleep and do not suffer from any more headaches or other pains."-L. E.
