These tourists spend money, too.

seld until required, not needing the goods They love to come to Canada and do ust now. Money saved is the only exsome shopping. They can be seen in the dry goods, fur and jewelry stores particularly, admiring this or that Inursual article and determining upon its purchase. The native-born Canadian overhears and wonders why the Yankees cannot get these same articles in their own towns, and not have the other of cluding the customs officers. But the fact is they cannot buy the articles so cheap or get them so good. For instance, a lady saw some furs in a Princess street store. The qualty and the price suited her perfectly, nd she ordered them on the spot. she couldn't get the like at home and was prepared to outwit the customs on her own side, in order to get the articles over the border. It's the With the "San Toy" Company at same with regard to other lines goods. Let a Yankee woman take souvenir brooch and she'll purchase next week.

Only A Portion Required. Enquiries are being made as to whe ther or not the street railway company will have to give up Lake On terio Park when the erection of new artillery barracks are begun. ear ago, the company was notified by the government that the upper portion of the park, from the spot where by the government, should the latter require it for certain purposes. It is not expected that the lower portion of

"San Toy," To-Morrow

The score of "San Toy," has twenty-six delightful and original numbers, which those most in favor are "The Six Little Wives," the "Moon Song," "I Mean To Introduce It Into China," "Little China Maid. "Rhoda and Her Pagoda," and "Chi nese Sojer man." The play is filled to repletion with solos, duets, quartettes and other concerted numbers. everyone of which is clever enough to

MABEL STRICKLAND.

fancy to a piece of dress goods or a win encores. Mr. Fisher has given "San Toy" a setting strictly in keeping with the superiority of the cast he has furnished. Every costume used with the play is new; the scenery is fresh from the studios, and in every little detail there has been the closest attention in order to get the best results. On Wednesday, August 30th, at the Grand, will be the last chance to see this beautiful comedy.

AT GANANOQUE HAS GOOD MEMBERSHIP.

Yet Yachting Has Not De veloped Much-The Craft Owned by Members-Hope for Bright Fucure. Gananoque, Aug. 29.-The concer of the Gananoque Yacht Club was a

matter of the year of 1904, the de velopment having begun a year age last spring; the clubhouse built dur ing May and June, 1904, and so far as financial and social affairs are concerned the club was very satisfac torily founded. It is backed by a stock has a half Yankee and half Canadi membership of about 150, and, it is hoped that eventually some real yachting will become as strong a feature as the numerous social gatherings have so far been. The club, at present, is not much of a yacht club joke, the real yachtsmen of the clul

numbering about one dozen. The clubhouse is very suitably south-west of the town, and in size thirty-two by seventy feet, with a ten by seventy foot platform across the front of which ten by forty feet is covered so as to make a balcony for the second storey. In the first storey is a club room thirty-two by fortyseven, in which there is a large stone room and there are two large diningrooms with fine plumbing, and an ample stairway leading up to the second storey. A fine ball room, thirtytwo by seventy takes up the entire se cond storey with a ten by forty covered balcony opening out, on the
