Asbury Park, N.J., Aug. 31.-The annual baby parade, which forms the principal feature of the carnival week is a thing of the past. Never before has there been such a large number of babies in the parade and never was the display more attractive from every point of view. Thousands of visitors had come from all parts of the east to swell the large crowds already here and as there is no possibility of finding room for the enormous crowd in the hotels here, most of the visitors will be compelled to leave to-night. The number of entries had reached nearly five hundred, but the actual number was somewhat less than that. The number of beautiful children was unusually large and the judges whose task it was to award the prizes, had Mack, that celebrated water from the home Mack Springs, St Catherines, is only 35c. a dozen, and there is nothing ness of an H. & A.
