FRANCIS VON BULL, CONCERT TEACHER OF VOCAL PHYSIOLOGY AND THE ART OF SINGING.

Formerly a Student of Delacoe, Italy,
and of the Vocal Physiology School of
Emil Behnke and Lennox Browne, Lon-
don, Eng., late Vocal Instructor at the
M.A. College, Michigan, U.S.A., at the
Vocal Studio now, Room "A," at the
Williams Piano Co., Warerooms, 267
Princess St.

During the last year Prof. Von Bull
has been teaching voice culture at
the M.A. College. In the early part of
the winter he gave a Recital in the
College Chapel. At this, the naturalness
and ease of his voice production com-
mended itself to me, and the smoothness
of especially the French and Italian
songs was very pleasing. Mr. Von Bull
has supplemented marked, natural ability
with serious and conscientious study.
The result is his technique is accurate
and masterful, while his interpretation is
most sympathetic.

As a teacher, Mr. Von Bull is very
great praise and consider they have made
excellent progress under his instruction.
Very respectfully signed,
LOUISE FREYHOFF,

IN NEW YORK

Envoys Arrive There From Boston.

A BREAKING STRAIN

ON M. DE WITTE—HE NEARLY COLLAPSED.

Sato Says Japanese Returning
Army is Too Well Disciplined to
Stir Up Trouble—Britain
and States to Take Important
Step.

Special to the Whig.
New York, Sept. 7.—The Russian
and Japanese envoys, and their suites,
are in this city, having arrived last
evening, from Boston. They will be
here resting, and doing a little society
until September 12th. On this date the
Russians sail for home, and on the
following day Baron Komura and his
suite leave for Seattle, to take pas-
sage for Japan.

M. De Witte went to bed at once on
arriving. The strain, members of his
party said, had been almost to the
breaking point. When the official set
was over, M. De Witte nearly col-
lapsed.

"How about the report that the re-
turning army may stir up trouble?"
Mr. Sato asked. "The Japanese army
is too well disciplined for that," he
replied. "When the order is given to
go to death, or go home, the Japanese
soldier goes."

Important Step Taken.
Birmingham, Sept. 7.—The Berlin
correspondent of the Post says as a
direct result of the peace treaty be-
tween Russia and Japan, the United
States has laid certain proposals be-
fore Great Britain for the regulation
of European and American commerce
in China, especially in Manchuria and
Korea. If these should be accepted,
Sir Edward Grey, British minister
to China, and Mr. Rockhill, the
American minister to China, without
waiting for the action of other powers,
will lay certain most important pro-
posals before China and Japan.

Ambassador Recalled.
Berlin, Sept. 7.—Count Von Alvens-
leben, the German ambassador at St.
Petersburg, has been recalled. This
action is due to his report that a quar-
rel between Russia and Japan was im-
possible, which report he sent to Ber-
lin when hostilities had almost begun.

To Protest Against Terms.
Tokyo, April 7.—A mass meeting was
held here to protest against the terms
of the peace treaty between Russia and
Japan, which was held at the Kokumun
Shinbun, the government organ, was
attacked and some of the machinery
injured. The disorder was not general,
and the situation was not considered
serious. Similar meetings, the United
States and Nagoya, which strongly de-
nounced the government and asked it
to resign. In Kinshu province there is
a general feeling of chagrin that Japan
has been deprived of the fruits of
her victory, and that the United States
from Russian aggression has not
been assured.

Clashed With Police.
Tokyo, Sept. 7.—In the rioting which
broke out here on Tuesday night, in
Nishi-Shinjuku, the disorganization
over the results of the peace settle-
ment, there were several clashes with
the police, and it is estimated that
two were killed, and 500 wounded. The
rioting ceased at midnight, the police
stations were the only property de-
stroyed.

Admiral Dismissed.
St. Petersburg, Sept. 7.—An imperi-
al order was issued, yesterday, dis-
missing from the service, Rear-Admiral
Nicholas, and the captains of the
battleship Imperator, Nicola II, Ad-
miral Semianov, and Admiral Apraxine,
for their action in the battle of the
Sea of Japan, when they surren-
dered to the Japanese. The crews of the
vessels should be brought to trial on
their return to Russia.

Troops Still Go East.
London, Sept. 7.—The Moscow cor-
respondent of the Standard says that
notwithstanding the signature of the
treaty of peace, the despatch of
troops, through Moscow, to the far
east, continues with unabated activity.
The Anglo-Japanese treaty signed
August 12th, is not yet ready for
publication, some formalities in print-
ing, etc., having to be carried out be-
fore publication. However, it will be
communicated to the powers.

While Wei-Hai-Wei may not be men-
tioned in the treaty, it is believed
that Great Britain is likely to evacu-
ate that port.

Sault Ste. Marie, Ont., Sept. 7.—

fine of \$300 and costs on the Ing-Gor
Gauthier, owned by the Dominion
Fish company, which was seized for
violating the terms of a license to fish
at the Lizard Island grounds, Lake
Superior.

NOT A CANDIDATE.

Jerome Will Not Run for the
Mayoralty.

W. T. JEROME.
New York, Sept. 7.—A Lakeville,
Conn., special says that District At-
torney William Travers Jerome, who
is at his summer home there, gave out
a statement in which he positively de-
clared he would not be a candidate
for mayor of New York, but did de-
clare to serve another term as district
attorney of New York. If Jerome's
statement is to be taken at its face
value, and nothing could be plainer
than his language, today's anti-Tum-
many meeting will be free to consider
candidates.

TWO CHILDREN CREMATED.

The Little Ones Left in the
Hurried Flight.

Montreal, Sept. 7.—Fire broke out
early this morning in a block of cheaply
constructed tenements at Cote St.
Paul, a suburb west of the city, be-
tween Point St. Charles and St. Henri,
resulting in the cremation of two
children, whose names are as yet un-
known. The occupants of the houses
were thrown to a panic by the rapid
spread of the flames amidst the in-
flammable structures and in the hur-
ried exits the children, whose lives
were lost, were left behind. They were
seven and four years of age. The place
has no fire brigades of its own and
for some time, until assistance was sent
from adjoining places, the fire was un-
checked.

MAN'S INHUMANITY.

In Rush Liberty and Safety Not
Considered.

Detroit, Mich., Sept. 7.—Fred Walk-
er, of Pontiac, Mich., has been released
by Panama authorities from an unjust
imprisonment and is on his way home,
according to information just received
here. It is the conviction of many of
Walker's friends that his imprison-
ment was instigated by rival Ameri-
can interests operating in Panama
mining regions. Walker was sent to the
isthmus to supervise the construction of
the Panama Canal, and was in charge
of exploiting mining property leased by
private interests in Detroit and Pontiac.
Before operations were well under
way it developed that the validity of
the lease had not been conclusively es-
tablished. Walker disappeared, it is al-
leged. He was finally located at a pris-
on in the mountains, twenty-eight
miles from the Pacific coast in the
province of Veraguas. Here, it is
said, he was submitted to outrageous
treatment and very little food was
given him. His body and mind be-
came weaker. When it became known
that Walker had been sent into prison
he was carried to the United States
minister at Caracas, and he made a
demand for Walker's release. The af-
fair will be thoroughly investigated.

DR. C. I. DEWAR DEAD.

Was One of Ottawa's Best Known
Doctors.

Special to the Whig.
Ottawa, Sept. 7.—Dr. C. I. Dewar,
one of Ottawa's best known physi-
cians, died at his residence this morn-
ing, from acute kidney trouble. He
was taken ill during the night, and
was out with great suddenness.
He was about forty years of age,
and enjoyed a large practice.

Mrs. George Hatcher, Perry Sound,
has written the police about her
husband, who has deserted her. There
is a man of that name here awaiting
trial for forgery, and the police have
forwarded his photograph to the wo-

FOURTEEN PERSONS KILLED

In Collision on Pennsylvania
Railroad.

Special to the Whig.
Newcastle, Pa., Sept. 7.—Two excu-
sion trains on the Western New York
and Pennsylvania railway, loaded with
passengers, on route to the fair at
Steubenville, Pa., crashed together
about a mile from this city this morning.
It is reported that fourteen persons
were killed, and scores injured.

The Road Responsible.

Special to the Whig.
Walkerville, Ont., Sept. 7.—The cor-
oner's jury in the case of John Rigney,
the Pere Marquette brakeman,
killed at Walkerville Junction, last
Sunday, found that the man's death
was caused by the rails spreading be-
cause of the breaking of the fish
plates, allowing the track to spread.
The jury held the road responsible for
the accident, believing that the equip-
ment was not what it should be and
that the engines used are heavy for
the fifty-six pound rail in use.

Suicide The Sequel Of Troubles.

New York, Sept. 7.—Francis R. Stev-
ens, of Holoken, grandson of the late
Governor Stevens, committed sui-
cide by shooting at his home, The
Cottage, at Westbury, L.I., yesterday.
Mrs. Stevens and her husband were
alone in the house except for a ser-
vant. The latter found the body with
a bullet wound in the head and a re-
volver nearby. It had been known for
some time that Mr. Stevens was wor-
ried about his financial affairs.

Fire Loss Is \$100,000.

New York, Sept. 7.—Fire did \$100,
000 damage to the wall paper manuf-
actory of S. A. Maxwell & Co., yester-
day. It was confined to the sixth
floor, but water running through to
the floors below did considerable dam-
age to the stock.

Special to the Whig.
Port Huron, Mich., Sept. 7.—The
Canadian schooner Wagonoh has ar-
rived here with her fore and main
topmasts gone, having been caught in
the gale on Thunder Bay on Saturday
night. She will be changed into a tow
barge.

KIDD'S LOSS

A Letter Opened By The Wrong Man.

A SUIT ENTERED

THE CLAIM IS FOR \$10,000 DAMAGES.

George Kidd, M.P.P. is Defendant
in a Suit Which R. J. Kidd,
Peterboro Has Begun—The
Reason Why—The Mistake
Cost Kidd His Job.

Peterboro, Sept. 7.—A writ has been
issued in the high court by E. B.
Stone, London, acting on behalf of R.
J. Kidd, of Peterboro, against George
Kidd, M.P.P., for Carleton county,
claiming \$10,000 damages. It is ex-
pected that the action will be tried
here at the fall assizes on October
9th.

At the beginning of the last session
a letter addressed to R. J. Kidd was
put in G. N. Kidd's postoffice box at
the parliament buildings, Toronto.
The letter, it is claimed, opened the
letter without a thought, and read it.
The contents proved very interesting,
and Mr. Kidd, M.P.P., it is contended,
handed it over to Hon. W. J. Hanna,
provincial secretary.

The letter was written by a politi-
cian in East Peterboro, and charged
R. J. Kidd with receiving money for
campaign purposes. Mr. Hanna called
R. J. Kidd into his office, and asked
for an explanation. When he retired
from the provincial secretary's office,
it is said that he telephoned to
Peterboro, and was advised to forget
the whole affair.

The next day, however, Mr. Kidd re-
ceived a letter from the provincial sec-
retary, asking him to hand in his
resignation. Mr. Kidd did so, and is
now seeking to get square for the loss
of his government position by a suit
for damages.

AMERICAN'S DAY

At Toronto Fair—Receipts Are
Away Up.

Special to the Whig.
Toronto, Sept. 7.—This is Ameri-
can day at the Canadian national ex-
hibition, and there is again an enor-
mous rush on the grounds. It is es-
timated that the attendance at the ex-
hibition, yesterday, was between 85,
000 and 90,000. The paid admissions
on labor day totalled 114,000. The
receipts of the fair, up to last night,
were equal to the total amount col-
lected last year.

Popular Fair Wedded.

Watertown, N.Y., Sept. 7.—Last
evening, in the presence of a small party
of friends, at the State Street Me-
thodist church, occurred the marriage
of Mrs. Edith M. Goodwin to Walter
J. P. Campbell of this city. Mrs.
Goodwin resides at No. 10 Mechanic
street and was formerly from Brown-
ville. For some time she has been one
of the popular clerks in the Rothé
Santee department store, while the
groom is a valued employee in the lo-
cal postoffice.

Three Burned To Death.

Quebec, Sept. 7.—Unable to make
their way out of their bedroom,
owing to the house being enveloped
in flames, Mrs. P. Ruel and her two
children were burned to death in
their beds at St. Justus, county of
Dorchester, on Tuesday, despite the
efforts of the husband and father, who
endeavored to save them. The latter
was also badly burned.

Bishop Spalding Very Ill.

ing, of the diocese of Peoria, has suf-
fered a relapse following his attack
of paralysis three months ago. His
physicians and friends are alarmed at

Special to the Whig.
Montreal, Sept. 7.—According to
the latest news, in spite of the
weather, which was very rough and
stormy, yesterday, the steamers Vir-
ginian and Victorian are in no worse
condition than they were.
