Prince Charles of Denmark Will be Elected King of Norway-Negotiations Will Soon End in Definite Result. Special to the Whig.

Karistadt, Sept. 18.-The following eight book and job printing estabannouncement was given out on Sa- lishments have quit work to enforce turday night, at the close of the joint a demand for an eight-hour day. session of the delegates of Norway The will of Joseph Jefferson be the negro voodoo, who professed to of the outlaws in the province of and Sweden, appointed to endeavor queaths his "best Kentucky reel" to countries as separate governments: The probabilities are that in the near future the negotiations can brought to a definite result. This announcement is taken as in-

dicating that the negotiations have finally reached a stage where an agreement is in sight, and that the resort to arms, which might have involved other powers, may safely be considered to be out of the question. The report that the powers had made representations to Sweden was based on the fact that Great Britain, France and Germany offered their services if necessary.

There is a feeling of relief, here, over the Swedish-Norwegian contro- Breton, Proposals for ranges at Godversy, and it is believed that King Edward has taken an active part in adjusting the difficulties. It is believed that his majesty suggested that instead of the fortresses being demolished, they be disarmed, Sweden and Norway agreeing not to increase armaments, and entering into a permanent peace treaty. It is understood . here that Prince Charles of Denmark will be elected

> A Young Woman's Effective Way of Preventing the Loss of a Joh-The Professor Claimed Communication With Angel Gabriel.

R. J. JONES.

Philadelphia, Sept. 18 .- More interesting details concerning the business methods of "Professor" R. J. Jones, phone, were brought out at the soothsayer's hearing before Magistrate surrounded yesterday near the Batan-Baron Kiyoura, Japanese minister of Fealy.

Policeman Brown, one of the three nineteenth district patrolmen, who were sent to get evidence against Jones, called on the voodoo, Sunday night, at his house, in Waverly street, ed the town of San Francisco de and told him that he had trouble in his home. He wanted to know if Jones could sell him a little domestic peace and quietness, and Jones said he could

The policeman laid down the money and the professor seated himself at a box with a funnel in it, which stood on a small table in the middle of the room beneath a maze of blue cords with red balls tied to them. This box was his telephone. He tinked a bell, and said: "Hello, hello; I can't hear you very distinctly Gabriel. Can't you come closer to the 'phone ?"

"Stand in the middle of your back yard at midnight and fire two pistol shots, one toward Germantown, and the other toward League Island. Then put your finger on the tip of the tail of a black Maltese cat as it is going over the fence, and everything will be lovely in your home.

Former democratic candidate for The other two policemen had simil president, Judge Alton B. Parker, ar tales to tell, and and a young necharges that both the Mutual and gress, who had been one of Jones' Equitable companies paid into the reclients testified that he had charged her 85 for two powders, one of which she was to take herself, and the other to sprinkle over the clothes of a girl whose job she wanted. The girl upon whom she sprinkled the powder hit her on the head with a rolling pin and broke the charm. When Mrs. W. W. Hull, Franklin, Pa.

Professor Jones did not care to make any statement. He was held 8600 bail for court, on the charge of obtaining money under false pretences.
