Returning to England, Mr. Lee spent a few years in different departments of in a row boat with a sail, from Ogmilitary work, and in June, 1893, still densburg, N.Y. to Kingston, through only twenty-four years old, be it not- the Rideau to Ottawa, thence to Mont- were busy giving the awards among , passed into the staff office, winning | real and up the St. Lawrence. ment to the Royal Military College in and a board on the dock tipped up, Father Spratt and Messrs. James this country, where he spent five years throwing him into the river. He was Brown and Allan McLaren were the not only performed admirably his col- ty minutes. ege duties for five years, but found opportunity to visit every part of the Dominion during his stay, and also considerably increased his reputation a scientific soldier and able writer. In April, 1898, he arrived in Washing ton to discharge the duties of British military attache to the headquarters' staff, of the United States army in the field against Spain. In the trenches be fore Santiago he displayed sterling courage, while the timely aid he forded the wounded under incessant fire won him the regard and affection of the American force to which he was attached. At the particular desire of the United States government he was ubsequently appointed military at-

tache in Washington. In December, 1809, he married Miss Ruth Moore of New York, although Le fully expected to be immediately ordered to South Africa. His services not being requir ed, he determined to exchange the sword of warfare for the pruning-hook of peace and devote his energies to polities in general, and the promo- "arst dayers." Every train brings a tion of good feeling between the Eng- fresh contingent to the city, and soon

lish speaking races of the world in the old halls will resound with On his retirement from the army he Just now the "freshies" are busy Mr. Lee was elected conservative member for the Farcham division of Hampshire, by an overwhelming majority. He rapidly made his mark in parliament, beginning with a maiden speech which evoked a chorus of applause Commons, Few men have studied the question of practical army reform more carefully than Mr. Lee, and exadmiralty. There was a singular in the appointment, for the Leen, of Lee, in Cheshire, had beer sailors for generations. His great great-grandfather, and his were naval captains, and his grandfather, Sir John Theophilus Lee, served at the battle of Cape St. Vincent and the Nile, and on one occasion ened a ball in Naples with Lady Ham-

ilton as his partner. Major Lee appears, in short, to of whatever he undertakes. His career in polities will be followed with interest by Canadians, though it seems likely to pass under a cloud for the moment, for the gallant member is an ardent Chamberlainite, and will probably have to spend a considerable period in opposition after another ses-

Major Lee has the good fortune to wealthy man, and has not only in Mayfair-Chesterfield street-but enjoys means to gratify a cultivated if somewhat costly taste as a collector of rare naval and military bric-a-brae, 'Roth Mr. and Mrs. Lee," says a writer in the London King of recent date, from which I take the portraits published herewith, "are ardent collectors of pictures, autographs and rariora relating to Napoleon and lavy. The mother of Mrs. Lee, and surgery of Dr. Ryan, late Mrs. J. G. Moore, the accomished wife of the popular diplomaa long and painful illness in accumating portraits and MSS, relating to plumbing, all in first-class the greatest soldier and organizer the nineteenth century, and the tast is continued by her son-in-law, who, in the beautiful library with the deep
