HIGH CRADE TAILOIRNG

Our Fall Suitings, Overcoatings and Trouserings

Are now ready and await your inspection. There isn't a man in the city who cannot find a pattern to his liking in our stock. Trusting the tailoring to us means much to the man who takes pride in dressing well and in style. We keep abreast of the times and the most careful, pains-taking attention is given to every garment we turn out.

We are after all the business we can possibly get. We are wise enough to know that nothing short of good work and good material will bring it.

Our Prices Are Moderate.

Washington, Oct. 7.-Word comes from Manila of the conversion of Fe lipe Agoncillo, formerly one of the most rabid of the revolutionaries, For several years he had been the leading spirit in the Filipino junta at Hone Kong. Recently he decided to give up what had become a useless struggle and, like other members of the junta, to accept the inevitable. Accordingly he came to Manila and took the oath of allegiance. Agoncillo was one of the organizers of the revolution against the Spanish government in 1895, and next to Aguinaldo, had been the foremost leader in the inde pendence movement. He was ordered against the United States troops in the deported by Gen. Blanco, in 1896, but ing Rock Agency recently, at the age of their on him, he fled, hidden in the coal massacre and is said to have killed Gen-

Deadlock over selection of candidate at Oswego, N.Y., continues. Some 109 ballots taken, A break was expected to-day. Henry Hoffman and Mrs. Henry Schiller, are under arrest, at Chicago, charged with stealing \$30,000 dia-

monds and other valuables. At the meeting of the Canadian Freight Association at Montreal, the resignation of John Earls, as secretary-treasurer was received, and Thomas Marshall, was appointed in his stead.

A daring daylight attempt to steal 830,000 worth of jewels from Maiden Lane store, New York, was made, and a clerk who defended the treasure was stabbed. The robber was Louis

Brown, a negro. The modernization of methods burglars, pickpockets, gamblers and confidence men was the ground given by Police Commissioner McAdoo for making a request for 1,000 new police patrolmen. He wants New York to have a police force of over 10,000 men or one officer for every 400 people. The report of President C. D. Warren to the shareholders of the Lake Superior Corporation stated that the last Canadian property to remain in the receiver's hands, the Lake Superior Power company, has been released and has passed into the full control of the corporation within the past few

WHAT IS SAID

Those Who May Be On

Queen's rugby prospects for this eason are growing brighter and yesterday afternoon another hard practice was indulged in. The work of the boys called forth many complimentary remarks from the side lines. Williams and Richardson are as good as ever, on the back division. Dono; van, in centre scrimmage cannot by bettered. On the wing line, Capt Patterson and Dobbs are a tower of strength. That's practically all of the champions yet in uniform. "Marty" expected of them before the season's Walsh has returned to college, but whether he will play football or not is doubtful. Thompson, the powerful The remains of William Virtue, who scrimmager, and Kennedy, a hus'ry noon train to-day. The funeral to town, but have not been tempted on running for the back division and the former will probably play full. Templeton, a second team man, and Platt of the champions of 1902, will complete a good scrimmage. On the wing line there is plenty of new material, both fast and heavy, with which to fill the vacancies. Of these, Turner, an old Hamilton player, and Baillie, second team man, look very likely. The collegians are sadly lacking at quarter, Cunningham being the only man at present available. Prs. Dalton and Etherington and Russell Britton are helping Capt. Patterson coach the team
