OMMERCIAL MATTERS.

That Is Going On In the Business World-The Markets. Toronto Stock Exchange seat recently old for \$17,000 and that \$17,000 is ow hid for another seat.

America makes more barrels than

iny other country. The annual producis estimated that \$2,000,000 was pair

month, or 1,200,000,000 a year. This s an increase in eight years of 500,000,-

cotton man states that the New York bull pool has dropped \$1,300,000 in the cotton market on its last campaign, cotton having declined \$6.50 a bale. The drop, he thinks, will not do the Canadian mills any harm, as high priced raw cotton is always bad for the trade. The Canadian cotton trade to-day is

A BARN BURNED.

Alderman Harkness' Out-Building

Consumed Last Evening. roundabout, ready with buckets to Sir William has been signally prevent any further outbreak. The cessful. He lifted the post office The whole inside and the contents reforms and prudent economy were destroyed. The barn was insured. Several members of the fire and light | producer with handsome surpluses committee were at the fire, and expressed satisfaction at the way in which the brigade worked. The firemen covered the distance between the stations and the burning building in

The schooner Metzner is at Crawford's wharf with coal, from Oswego.

Yes. 100,000 times each day. Does it send out good blood or bad blood? You know, for good blood or bad blood? You know, for good blood, bad health. Ask your own doctor about taking Aver's Sarsaparilla for thin, impure blood.

He knows all about this medicie.

HE WILL RESIGN AS POST-MASTER GENERAL.

The Change Will Be Make Upon Earl Grey's Return From the West-Ill-Health the Cause of Sir William Mulock's Withdrawal.

Ottawa, Oct. 10 .- Sir William Mution is believed to be in the hands of Cross cough syrup. They know ed by the latter with extreme reluct- Andrew Sophie, Gananoque, is spendance. Indications point strongly to A. B. Aylesworth, K.C., as Sir William's Tisdale, of this city. Canada for the month of September, as compiled by the Journal of Commerce, shows a total of \$13,715,250, compared with September, 1904, of \$14,387,650, and of September, 1903, of \$9,839,450. The total for nine months, 1903, was In the United States and successor. The governor-general recompiled by the Journal of Commerce, as turns to the city on Sunday or Monday, October take official leave of a trusted adviser and welcome another to the cabinet. Until then an official appropriate to the cabinet. successor. The governor-general re-Until then an official announcement of parish of Rawdon. the changes impending is deferred.

Neither Sir William Laurier nor Sir William Mulock will say a word in confirmation or denial of the report. This line of action, however, is strictly in conformity with constitutional usage. Until the prime minister has first advised the governor-general he is not at liberty to speak.

As for the postmaster-general, he has invariably maintained the utmost reticence with respect to matters within the cabinet. His silence on the present occasion, therefore, is in keeping and eighty-five years. At half past seven o'clock last ev- with his procedure ever since he was Alderman Ross was kept out of hed been victimized to the extent of \$100, ening, the firemen received a call to entrusted with a portfolio.
