BRUTAL WORK

Cossacks Treat People As Cowboys Do Cattle.

CZAR'S MANIFESTO

SPEAKS MOST PIOUSLY OF WAR AND PEACE.

Hopes Divine Power Will Aid His Great Labors for Development and Prosperity of Russia—Calls Japan Friend.

St. Petersburg, Oct. 20.—The czar has issued the following peace manifesto: "God has caused our fatherland to suffer sore trials and blows of fate in a sanguinary war, which has afforded manifold proofs of the bravery and courage of our glorious troops in another obstinate struggle against a brave and mighty enemy. This war, so painful to us all, is ended. The eastern portion of our country will develop itself in peace, and good neighborliness with the Japanese empire, which has now become our friend. In communicating our resolution for peace to our subjects, we are sure that their prayers will be joined with ours, that God will give His blessing to our great labors, in conjunction with those of the men elected by the people for the development and prosperity of Russia. (Signed) Nicholas."

Conditions in Russia.

London, Oct. 20.—The Standard's Moscow correspondent says the strikes continue, and that business is almost at a standstill. The strikers in one trade hardly resume work, before those in another obstruct the movement. The mob of strikers and their sympathizers, and the police and soldiers, are of daily occurrence. The Cossacks are particularly brutal. Their favorite method of operation is for a dozen or more to surround an unfortunate victim from the crowd, as a cowboy separates cattle from a herd, and then circling round them, beat them until they are senseless or dead.

Eve Of Great Events.

St. Petersburg, Oct. 20.—Russia is believed to be on the eve of great events. It is said that well-informed men have gained access to the emperor, and made known to him the whole truth concerning the situation in the interior, and that the emperor has decided to grant a constitution shortly.

With the termination of the printers' strike, here, the factory workmen also have resumed to work.

A call has been issued for an all-Russian congress of workmen, to determine the attitude of the workmen towards the national assembly. The Jews have also been summoned to attend a general Hebrew congress at Kief, with the same object in view.

CONFESSES NOTED MURDER.

Convict Says Biddles Were Innocent.

Pittsburg, Pa., Oct. 20.—A confession of three murders in the neighborhood of Pittsburg, was received by Superintendent of Police Wallace. The confessor had been forwarded by Warden Smith of the prison, who said Brown had committed suicide two hours after making his revelations. The police take little stock in the confession, saying the responsibility for the Kahney murder was fixed beyond a doubt on the Biddle boys and Walter Dorman, their accomplice. The Biddles escaped the hangman's rope by breaking jail through the assistance of the keeper's wife, but were shot down in their flight. The other two murders mentioned in the confession are unknown to the local police.

HAVE NO MOTHERS

In Minds of Magistrate Criminals Must Have None.

Hamilton, Oct. 20.—Vincent Latremouille, Toronto, who has a long criminal record and was last sentenced for blowing a safe at London, was sentenced to three years in the penitentiary for highway robbery. His lawyer pleaded that Latremouille would never see his aged mother again if given a long term. "The law must forget at times such men have mothers," commented Magistrate Jelfs.

Ryan To Build Track.

Montreal, Oct. 20.—John F. Ryan, of New York, who has been here for a week, has completed arrangements for the building of a race track on the outskirts of the city to cost \$275,000. Mr. Ryan says that John Boden, New York; William F. Riggs, Baltimore; Frank J. Bryan, New York; and Jacob Holtman and W. C. Corey of New York, will be connected with the organization. The capital is to be supplied by New York and Montreal men. The opening meeting is expected to be held next fall.

To Secure His Arrest.

Montreal, Oct. 20.—A warrant has been issued for the arrest of David Hobbs, the C. P. R. customs official, accused of having defrauded the customs of a large amount, and is now said to be on his way to England.

Robert Hiehens, the novelist, has sent \$500 for the relief of the sufferers by the recent earthquake in Calabria.

BETROTHAL ANNOUNCED.

The Marriage in Madrid Next January.

PRINCE FERDINAND OF BULGARIA.

Madrid, Oct. 20.—The period of mourning for the Princess of Asturias, who died a year ago, being ended, the betrothal of the Infanta Maria Teresa to Prince Ferdinand of Bulgaria was today formally announced. The marriage will take place at Madrid next January. The Infanta Maria Teresa is the only surviving sister of King Alfonso. She was born on November 12th, 1882. Prince Ferdinand, who was born on May 10th, 1884, is the elder son of Prince Louis Ferdinand of Bavaria. The Infanta and the young prince are cousins. SOLD A BRIDE

She Married in Haste To A Stranger.

VERY SAD SEQUEL

SHE WAS TURNED OVER INTO EGYPTIAN BONDAGE.

Pretty New York Girl's Fate Just Revealed—Stranger Robbed and Placed Her in Slavery.

New York, Oct. 20.—Introduced to a prospective husband by a match-making matron, married to the man after falling in love with him at first sight, taken by him to Egypt, where she was sold as a white slave, and finally rescued from her bondage—this has been the strange experience of a New York girl within the last three months, according to her brothers, who are trying to secure her return home.

Mollie Katin was married last July to Harry Lederer, after a courtship of a few weeks. A month later she and her husband mysteriously disappeared. Her brothers made a search for her, but found no trace of the missing girl until a letter reached them a few days ago from Alexandria, Egypt.

The letter from the International Society for the Prevention of the White Slave Trade, said the society had rescued the woman from the white slave traders, who had purchased her from the husband. There was inclosed this note in handwriting which, her brothers say, is her own, and leaves no doubt as to the truth of the story.

"My dear brothers—I am unable to express the sad position in which I find myself. My husband has been treacherous. He brought me to Alexandria and has made me a prisoner of other men. I wish you to go to court and get duplicates of the documents which show I am his wife, as he has stolen the original papers from me. Buy a ticket for me to return, for he has taken all my money, and I am very sick and cannot write more."

Lederer, according to the girl's brothers, not only sold her into bondage, but obtained \$2000 which had been put into a bank in the girl's name.

WILL NOT HURT CANADA?

Australian Customs Regulations Affect Fall Imports.

Ottawa, Oct. 20.—The comptroller-general of Australia has written to the Canadian government that the Australian customs regulations affecting the adding of inland freight to the value for customs purposes applies only to articles on Australian ad valorem list.

Australia's comptroller adds that less than half of the imports from Canada in 1904 were on the ad valorem list.

It is argued from this that the business of the Australian-Canadian line will not be seriously affected. However, the department has received a cable message from a British steamship firm, stating that they are forwarding an offer for steamship service between Canada and New Zealand.

GIVE UP PRISONERS.

The Governor is Bringing Peaceful Measures.

Billiard Leaves Brockville.

Brockville, Oct. 20.—John Hilliard, better known as "Rusty," left yesterday for Syracuse, to take a position as brakeman on the New York Central railroad. The removal of Hilliard leaves a vacancy on the forward line of the Brockville football team that will be hard to fill, for he was one of the star players who could be counted upon to give a good account of himself. Strong, aggressive, and energetic, he feared no opponent and was always on the ball. Hilliard was also considered a good hockey player.

New York, Oct. 20.—Norman Selby, better known as "Kid" McCoy, the ex-prize fighter, tried to get a marriage license at Jersey City, yesterday, but upon being informed that he would have to wait five days before getting married left without obtaining the document.

McCoy came to the court house in an automobile and seemed to be in a great hurry.

"We have it all planned to get married and I want the marriage certificate so that everything will be in readiness," he said.

When told of the law he re-entered his tonneau and a minute later was lost around a corner.

It was recently reported that "Kid" McCoy was engaged to Mrs. Ellis, a wealthy widow.

It is believed that the fourteenth and sixteenth divisions of Guards will be sent to the Liao Tung peninsula, and the thirteenth and fifteenth divisions to Korea. A reorganization of the army on the corps basis instead of the division is being strongly advocated.
