About Snow Shovelling.

There was a reference to snow shovelling at yesterday's board of works meeting. Ald, Carson complained that the city had charged him for shovelling snow off a two-foot running walk along some vacant property of his at the city limits. He thought the corporation had little to do, when he tended shovelling the snow himself and gave notice that he didn't want walk shovelled again. He would attend to it. The engineer stated that the by-law provided for the city shovelling all walks found unattended
