## Ask Your Grocer About Red Rose Tea

NOST good Grocers sell Red Rose Tea. If a grocer recommends Red Rose Tea, will be an honest opinion, because he makes less profit on Red Rose Tea than on most others.

When a merchant recommends an article upon which his profit is less than upon other similar goods, it is because he wants to sell satisfactory goods and to please his customers.

Your grocer knows he can recommend Red Rose Tea for its "rich fruity flavor" and its strength, and because
