REFUSE TO STOP TO TALK WITH ACQUAINTANCE.

He Promptly Shoots-"Charlie, I Have Killed Your Wife," He Calls to Her Husband as He Takes to the

Coatesville, Pa., Oct. 25 .- Frederick Frein shot and killed Mrs. Libratie Dunnetti, his boarding house mistress, because she refused to stop washing and talk to him. He then opened the door and called to the victim'shusband, who was at work close

After repeating these words he fled to the woods. He carried a revolver in nond and other New Yorkers, for over his hand as he left the boarding Canadian Pacific carnings from Oct. house in his stocking feet, and with the Oct. 14th, were \$1,305,000, concusted with \$1,031,000, an increase of ed men has been searching for the S274,000 over the figures for the corresponding peroid a year ago.

The large demand for steel rails for Canadian railways has already resulted in the big steel rail mill of the Lake Superior Corporation booking sufficient orders to keep it running full capacity well into 1906.

Alle concerned are Slave Contention

ance All Round. Toronto, Oct. 25 .- At the civic

vestigation, this morning, ex-Ald. Ramsden, who, it is alleged, particimen who were favorable, stayed Elliott had one, did not know of any he thought it was the day of the coun cil meeting, Elliott came to his place to discuss the matter; he did not remember the conversation, but would not swear that Elliott did not say anything about Ald. Lynd.

Mr. Ramsden denied all knowledge

not know what Elliott's interests the by-law were or that he was going to be paid for his services. Quite a surprise was sprung when the fact developed that G. B. Elliott dry company, last year, to canvass the aldermen and get through the bylaw giving the company a rebate on its water rates, and that J. Paterson, K.C., who represents North-West Property Owners' Association in the investigation, acted for the company at the same time in th

same matter. Elliott said he received and \$300 for his services, he was well paid. Mr. Paterson. denied any knowledge of hott having been put on the job and ented that he did not get as much

out of it as the witness. COMPULSORY VACCINATION

Recommended to Provincial Board

of Health. foronto, Oct. 25 .- The general provalence of typhoid, owing to the in was commented upon in Dr. Hodgetts quarterly report, read to the provincial board of health, this morning. Dr. Hodgetts attributed the continu ance of this disease largely to the ne ties to submit to the board's plans for common sewers, as provided in the clock, telling of the popularity in ference of the people, generally, to the benefits of vaccination. A recommendation was submitted that not only primary, but also secondary, or revaccination be compulsory, before manhood or womanhood is reached.

CULPABLE NEGLIGENCE

On Part of Toronto Street Rail-

Toronto, Oct. 25.-The board of control, this morning, discussed the verdiet of the coroner's jury in the case of C. O. Rockwood, who was killed by a car, which jumped the track, at Queen and McCaul streets, holding the structed to advise the board whether officials were criminally responsible with view to prosecution. The mayor said that in the United States such officials were, but he did not know pionshi whether they were in Canada
