

The Watch-Dog in your Vest Pocket

YOU can buy Health Insurance now.

Several good "Accident" Companies sell it.

Stay dollars per year will bring you \$25.00 per week for every week you are Sick.

But, your time alone may be worth far more than that.

And \$200 per week might not pay for your suffering.

That's why "Cascaret" Insurance which prevents Sickness, is worth ten times as much money as other "Health" Insurance.

Yet "Cascaret Insurance" will cost you less than Ten Cents a week.

That gives you a "Vest Pocket" Box to carry constantly.

"Indigestion" means food eaten but only partially digested.

"Constipation" means food retained in the body undigested too long, till it decays. It then supplies the poisons of decay to the system, in place of the nourishment it might have supplied.

Isn't that a tremendous handicap worth bearing against?

What does it cost to Cure Constipation or Indigestion, with their train of small and great ills, and to insure against a return of them?

Not very much.

One 10 cent box of Cascarets per week, at most, perhaps half that.

One candy tablet night and morning, taken regularly for a short time, is warranted to cure the worst case of Constipation or Indigestion that attacks the earth.

One tablet taken whenever you suspect you need it will insure you against 90 per cent of all other ills likely to attack you. Because 90 per cent of these ills begin

in the Bowels, or exist through poor Nutrition.

Cascarets don't purge, don't weaken, don't irritate, nor upset your stomach. No,—they act like Exercise on the Bowels, instead.

They stimulate the Bowel-Muscles to contract and propel the Food naturally past the little valves that mix Digestive Juices with Food.

They strengthen these Bowel-Muscles by exercising them.

The Bowel-Muscles can thus, in a short time, dispense with any Drug assistance whatever.

The time to take a Cascaret is the very minute you suspect you need one.

—When your Tongue is coated a little.

—When your breath is not above suspicion.

—When your head feels dull, dizzy, or achy.

—When you have eaten too heartily, or too rapidly.

—When you have drunk more than was good for your digestion.

—When you have a touch of Heartburn, Gas-belching, Acid-rising-in-throat, or a Coming-on-Cold.

Carry the "Vest Pocket" Box where it belongs, just as you would your Watch, Pocket-knife or Lead-pencil.

It costs only 10 cents. At any drug-gist.

Be sure you get the genuine, made only by the Sterling Remedy Company, and never sold in bulk. Every tablet stamped "C.C."

A sample and the famous booklet "Course of Constipation," free for the asking. Address Sterling Remedy Company, Chicago or New York. 700

A Serious Wound.
Clayton, Nov. 6.—Hunting is the order of the day. For the past week there has been quite a number of hunters going through here, but deer are reported to be very scarce in this part of the country. One man, while hunting last week, was shot and the bullet entering in one hip, left him a serious wound. We have had a very heavy fall of snow here, to-day, so early in the season. Some sleights are now running on the road. W. O'Donnell, who went to the woods on the harvest excursion, has returned home. Quite a number from here intend going out west to take up homes. Edward Nolan is buying John Armstrong's farm here in the township of Barrie.

Babies Come To Town.

Their friends all wish them many years of comfort. Edward Murray has finished and painted his fine large shed—and stable. It is quite an improvement to the village. A. Hora has made forty gallons of cider with his mill, and has a supply of good russet apples ready for shipment. Hallowe'en was celebrated in fine style here, representing all classes and nationalities. There were many bands, and some good singers. To their credit, nothing nor anyone was molested, which cannot be said of the boys at Whitthorne, who removed the gates from a pasture near the railway, and two three-year-olds got out; one was found, in the morning, cut to pieces, on the crossing. The culprits are known, and will have to pay dearly for their silly work. Miss Bella Hunter, home for a few holidays, has gone for a visit to Toronto. Frank Baily and wife are visiting his mother, Mrs. James Hamilton, Jr., Toronto, in visiting her sister, at the Gore, Fitzroy. LOCAL NOTES AND THINGS IN GENERAL.

W. J. Marsh, the last survivor of one of Concession's oldest and most respected families, is dead, from pneumonia.

W. S. Robertson, leaving Carleton Place for Perth, has received his position as a member of the board of education.

The Brockville council is to spend \$12,000 on its opera house. The plans provide for a main auditorium on the ground floor and two galleries.

Miss Eva Newell, for many months of suffering, is dead, in Brockville, just as she was budding into womanhood. She had been an active worker in the Baptist church.

Miss Gertrude Dohis, nurse-in-training at St. Louis, Mo., has returned to Picton to spend some time with her aunt and uncle, Mr. and Mrs. Andrew Merritt.

Mrs. Merrill has purchased a residence on Prince, Arthur avenue, Toronto, and has left Picton for that place, accompanied by Miss Helen M. Merrill, both of whom will be greatly missed.

The old grist mill, built more than a century ago by Philip Robin, at the place known since as Robin's Mills, Sophiasburg, Prince Edward, is to be torn down. The settlement was noted for its stave, plaster and saw mills, and an extensive shipbuilding business was carried on here in early days.

David Emery Clarke, is dead, in Trenton, after many years' suffering from nervous troubles. He was born in Hallowell, Prince Edward, and was an earnest church worker, being church warden, lay delegate to synod, and Sunday school superintendent. His second wife, and four children survive.

FIRST SHOW OF SEASON
Fall in Newburgh, on Monday — Other News.

Newburgh, Nov. 7.—The first snow of the season fell on Sunday night. The quarterly meeting in the Methodist church, on Sunday morning, was not very largely attended. Rev. J. H. Chant preached in the evening. The death of Mrs. Courtney has made it necessary to elect new organizers for the league, Sunday school and prayer meeting. At a meeting of the Sunday school executive, on Saturday evening, the Misses Court and Miss Pearl Wood, assistant, at a meeting of the Epworth League, last evening, instead of electing a permanent organizer, it was decided to appoint an organizer from the league, each to serve one month. Miss Ethel Mears is the organizer for November. Miss Pearl Patterson took the topic at the league last evening, and after the roll call, eight new members were received. On Christmas, next Monday evening, a meeting of the Epworth League, Division court was held here on Monday, before Judge Madden. There was a very light docket and court lasted only twenty minutes. Bert Paul spent Sunday at Desmond. Mr. and Mrs. C. H. Finkle, and Mr. and Mrs. John McCarthy attended the party in York, on Friday evening, given by Mr. and Mrs. J. C. Connolly. The high school football team played Desmond on Saturday. Next Monday evening Miss Ella Chant, delegate to the E. L. convention will give her report. J. B. Haight, Cannifton, spent a day last week with his daughter, Mrs. P. B. Shore. Miss Jessie and Master Archie Wilson entertained their friends on Friday evening.

Lord Rothschild's Birthday.
London, Nov. 8.—Lord Rothschild, the head of the London branch of the Rothschild banking establishment, celebrated his sixty-fifth birthday, to-day. He received many letters and telegrams from all parts of the world, congratulating him. Lord Rothschild was born in Piccadilly, London, on November 18, 1840. He is a son of Baron Lionel Nathan de Rothschild, and a grandson of Nathan Meyer de Rothschild, the Frankfurt banker. He was educated at Trinity College, Cambridge, and was a member of parliament for Aylesbury from 1865 to 1885.

States Would Permit No War to Enter Borders.
London, Nov. 8.—Goldwin Smith, writing to the Manchester Guardian, says if Canada consents to contribute to imperial armaments will the empire undertake to guard the military frontier of Canada, at least four thousand miles in extent, and her naval frontier? That is a plain question to which a definite answer seems to be required. Mr. Smith is convinced that Canada is perfectly safe so long as not involved in European broils. Americans have no desire to interfere with Canada, nor would the States, as long as Canada gave no offence, permit war to be carried "into this continent."

NEED FEAR NO ATTACK.
If you succeed by the help of capitalists in drawing us into military expenditure, the result would be further export duties with no exception in favor of British goods. The utterances of a circle of enthusiastic imperialists may mislead you as to the general sentiments of our people, the large proportion of whom are French who are here, all of them, not to found empire in the clouds, but to make their bread."

Impounded Many Head.
Point Traverse, Nov. 8.—Sunday being a fine day, there was a large gathering at Carman church at the quarterly services. The Epworth League of this circuit will hold a convention at Carman, Thursday afternoon and evening. John Minaker has been very ill, but is somewhat better at present. A number around here have very bad colds. W. A. Head and M. Spafford are fishing for salmon at the point. Clara Head is visiting a while at Scarborough. Port Milford. All the pedlars, except G. L. Ostrander, have ceased their weekly trips for this season. Last week Nelson Minaker, poundkeeper, was called to notify A. Hudgin that all his stock of horses and cattle, numbering over eighty head, had been brought to pound by the dock. With no one to look after the stock, they made sad havoc of the hay. Mrs. Alva Hanard is seriously ill. Our cheese factory still continues to make cheese every other day; last week's cheese sold for 9 1/2 cents. John Dunlop is making weekly trips to his farm near Cherry Valley. Visitors: Mr. and Mrs. N. Vandusen and Mr. and Mrs. James Whittam, Royal street, at Jones Callaghan, Mr. and Mrs. M. Robbins, at Cligide, Dunlop's; Scatter Warburton, at Willie Hugh's; Mrs. Hilton Whittam, at L. Ostrander's; John Head, Milford, at Isaac Head's; Mrs. Susan Gallagher, at John Minaker's; Mrs. S. Ackerman, Belleville, at G. Cannon's; Master Basil Collier, at L. A. Ostrander's.

"Peninsular" Steel Ranges

ARE PERFECT COOKERS.

Peninsular Planished Steel Ranges are made of finest polished dead flat steel. This retains the luster of the metal and requires no blacking.

The body is made of double steel, with Asbestos between the sheets. This concentrates the heat in the oven, insuring quick baking with the least possible cost of fuel.

Double flue bottom under the oven prevents the chilling—quickens the baking—and does away with the necessity of having the floor under the range covered with zinc. They have both coal and wood grates, which are interchanged without the least trouble. Handsome designs—heavily nickle plated—in all sizes. Let us know if your Peninsular Stoves and Ranges. In every quarter there is a manifest hostility to cough mixtures, which usually contain opium, tobacco and other harmful drugs. Doctors now recommend Catarrhose; they know that for coughs, bronchitis and throat trouble "Catarrhose" is safe and sure.
