SUPERINTENDENT NOT YET APPOINTED.

Directors Decide to Get Further cants-Action Taken on Several Cases.

At a meeting of the House of Industry directors yesterday afternoon, there were present Mayor McFarlane, Alds, Mowat, Ross and Hoag, W. J. Crothers, W. F. Nickle, Miss Machar, Mrs. Birch, Miss Holt and R. Meek,

Three tenders were received were 864; 885 and 8175, W. J. Savage was the lowest tenderer, and awarded the contract. The superintendent said that Mrs

Hartnett and her two children been temporarily admitted to the institutions. It was unusual to take children, but as the orphans' Home could not receive them until the whoopin cough epidemic there had been stayed the secretary had ordered that the House of Industry give them shelter till the Orphans' Home could them. Mrs. Hartnett is the wife of the unfortunate Nova Scotia man who was recently sent to the penitentiary for forgery. She is a refined woman, and has secured a position here.

The secretary intimated that a sperial committee from the House of Industry board would meet a committee from the Frontenac council on Thursday afternoon, with regard to a perent grant for the institution. Last July the county council committee had made a special grant of \$250 towards repairs.

Mr. Nickle raised a question about Whig. asking for tenders. He considered that Joseph Sinnott returned to-day from on the whole it would be better if the Montreal, where he purchased a burlo Kingston section at 60,000 boxes. ISWHAT FRONTENAC CHEESE BROUGHT.

Larger Prices Can Be Obtained if More Cheese Were Boarded-Without Boarding, There is a Lack of Competition.

D. J. McKinnon, district manager for James Alexander, the exporter of butter and cheese, has prepared for the Whig the following comparative statement of cheese board prices, etc., at Kingston and Napanee for the years 1903-4-5 : .Cheese boarded in Kingston, 1903,

43,015 boxes; average price, 10.47 cents; highest for season, April 23rd, 121 cents; lowest paid on November Cheese boarded in Napanee, 1903. 48,611 boxes; average price, 10.45

cents; highest for season, September 18th, 8 cents; lowest for season, July 31st, 91 cents. Cheese boarded in Kingston, 1904 32,670 boxes; average price, s. !5.cents;

highest for season, November 16th. cents; lowest for season, May 12th, Cheese boarded in Napanee, 1904; 14,669 boxes; average price, 8.27 cents; highest for season. November 11th, cents; lowest for season, May 6th,

Cheese boarded in Kingston, 1905, 27,921 boxes; average price, 10.42 cents; highest for season, November 9th, 12t cents; lowest for season, June Cheese boarded in Napanee,

49,871 boxes; average price, 10:48 cents; highest for season, November 10th, 12: cents; lowest for season, June 2nd, 9 3-16 cents. A low estimate places total make in Average them at 85 pounds; this gives

to this section for cheese alone. Usually when a man reaches the A low estimate of total make on turn in the lane he finds that it turns Napance section places total make at 65,000 boxes; average them at 85 a total in money of \$580,125. Rememcash for their summer's output of doors of the Frontenac and Lennox

> "You will notice," Mr. McKinnon per pound for their goods than tenac board, on account of nearly all the factories boarding their cheese, and if a new buyer would come in he could get an order for 500 or 1,000 street lights, covered depreciation as cheese filled by bidding for them, well as interest, etc. He replied that Could a buyer do the same on Fron- it would more than cover everything tenac board? No; he could not, I involved in estimating the figure would, therefore, ask the farmers of supply. As to the length of an arc Frontenac to make a strong plea at lamp's life. Mr. Campbell said that their annual meetings this fall to those put in here in 1887, eighteen have their salesmen come to King years ago, were about as good ston next year, board their cheese, ever. They would last for a long time sell them to the highest bidder, and yet. Of course the question of resell them on the board, and I venture placing them by more modern lamps to say that at the end of next season was to be considered. Mr. Campbell they will be shaking hands with them does not think the extra twenty lights selves for doing so, because I firmly will be erected till the spring, as it is believe that they will profit quite a very late now to begin the work of few thousand dollars. I might say putting in poles. Besides, the lights that the quality of the make in both | are not needed in winter, as they are son. Kingston especially is making remarked improvement. This is due to the careful attention that Mr. Pub- F. G. Hawley and Miss Myers low and his able assistants, Mr. Robinson and Mr. Hensley, have given the factorymen along the line of instruc-It might be noticed that the boardings at Napanee this past season increased about the same amount that Kingston's boardings decreased, as compared with those of 1904. The Kingston boardings were over 15,000 boxes less this year than in 1903,

Rev. Hatt Lipscomb, curate of St. There has been no recent bacteriolo. Paul's, to an appreciative audience of gical report on the condition of the men. His remarks were based on II. water, but Superintendent Hewitt Timothy iv., 13, "cloak," "books, has asked Dr. W. T. Connell to make but especially the parchments," as suggestive of the tripartite nature of man. Three of the main thoughts were: First, cloak, or care of the body; second, books, or culture of the mind; third, parchments, or concern for the soul. He, the speaker, found it diffi cult to be patient with those who be littled manly sport and recreation, and equally harder is it to look without disfavor on those who think and talk of nothing else but sport. healthy recreation is to be found, part, the solution of the problem purity. Fearlessly, clearly and yet de licately, he dealt with the sins of the flesh, not by any means confined to the younger men as so generally The speaker then dwelt briefly on

his second point, the culture of the mind. What care should be taken to store the mind, how careful to avoid the oft found suggestive uncleanliness in the light reading of the hour. "What are you going to be when you've done learning?" asked a London vicar of his Sunday school boys. One said "a teacher," which was the desired Remnants dress, especially the parchments, concern for the soul. No other book or of God. Dearer than thousands of silver and gold. Read and meditate on with holy thoughts, the heart filled with holy affections, the memory surrounded with holy associations. The speaker brought his remarks to close with the prayer of St. Paul, pray God that your whole spirit, soul and body be preserved blameless .- I Thess. v. 23.

To-night at eight o'clock, Rev. E. Manning will give the address, Ar increasing number of men should hear him, Remember the preparatory pray er service at seven o'clock.
