## With New Blood In the Arteries

You Will Feel New Vigor and Confidence Throughout the Whole Body.

Dr. Chase's Nerve Food

Do you know what it is to feel well - to feel young and hearty and vigorous - to feel full of energy and vitality?

This is the natural way to feel when your blood is pure and rich and your nerves athrill with life and vitality.

Dr. Chase's Nerve Food is a wonderful medicine, but its wonders are accomplished in Nature's way, by thoroughly restoring the elements lacking in a rundown body.

Dr. Chase's Nerve Food brings about lasting beneficial results by forming new, rich blood and creating new nerve force.

George W. Lawson, a farmer living near Concession, and well and favorably known throughout Prince Edward county, Ont., writes:

"About one year ago I was taken sick, and felt myself fading every day. I consulted and doctored with several eminent physicians, but received no benefit. In fact they told me they could do nothing for me except to afford temporary relief, as it was a general breaking up of old age. My nerves were exhausted, and my whole system completely broken up."

"I was just at death's door, and, thinking my time to die had come, I gave up hope, and resigned myself to fate. At this time my wife read in the papers about some of the wonderful cures being brought about by Dr. Chase's Nerve Food, and I began using it."

"This treatment helped me from the first, and I continued to keep it up for six months, when I was fully restored to health. To-day I am a well man, and made so by Dr. Chase's Nerve Food at a trifling cost. All this in spite of the fact that I spent a large sum of money with physicians only to be pronounced incurable. Though in my seventy-fifth year, I feel as well as I did at twenty, and can walk as smartly as any of the boys."

There is lots of evidence of what this great food cure has done for others. Ask your neighbors about it. See a box at all dealers, or Edmondson, Bates & Co., Toronto.
