SENSATIONAL SALE OF DRESS GOODS!

Every offering here is a marvel—every yard of Dress Goods is desirable and every economical buyer will buy them. If you expect to buy a Suit this year, your chance now—

CHIFFON VENETIAN—In pure wool, already sponged, shrunken and guaranteed not to spot. A choice collection of shades—displayed in our Dress Goods Window. The quality is the one you pay \$1 and more than likely \$1.25 a yard. To-morrow 60c.

TWEEDS—In dark mixed colorings, 56 inches wide, pure wool, suitable for Ladies' and Children's Suits or Skirts, good heavy weight, the same as shown by others at \$1 and \$1.25. Our regular prices were 75c. and \$1 a yard. To-morrow you get them for .50c.

BLACK DRESS GOODS—In all the new materials: Roxana, Solids, Chiffon, Venetians, Box Cloths, Henriettes and Crispines. Every yard guaranteed to be unspottable and strictly stainless. The kind you probably asked the price of elsewhere else, and they told you "A dollar a yard," and it's worth it. We will sell them To-morrow for 60c.

HIGH GRADE PURE WOOL MIXED TWEEDS—In dark colors only. At the regular price (60c. and 70c. a yard) they were considered excellent value. To make this sale of Dress Goods specially attractive, and give our customers a few extraordinary bargains, we are going to offer them To-morrow for 35c.

LADIES' HIGHLY TAILORED SKIRTS—On Sale To-morrow Morning. \$1.98, \$2.29, \$2.57, \$3.91, Regular value \$2.75, \$3.50, \$4.75, \$6.

REMEMBER OUR MEN'S AND WOMEN'S UNDERWEAR—40c. for women's 50c. and 75c. lines; 47c. and 62c. for men's 75c. and \$1 lines.

TO-MORROW WILL BE ECONOMY DAY AT THIS STORE.

The James Johnston Store
180 WELLINGTON STREET.

FREE HELP FOR MEN

The only remedy known to science which will positively cure "KIDNEY" is "REINDEER." The marvelous German Remedy discovered by Dr. Julius Kohr. It is controlled in this country by the Kohr Medicine Company, a concern which has the highest standing in the medical world. This treatment has cured thousands of men, young and old, when the best known remedies have failed. If you are suffering from disease of the generative organs such as impotency, exhaustion, nervous debility, the results of abuse, this remedy can and will cure you. The headache, pimples, varicose, pain in the back and falling memory, disappear completely in the worst cases in from one to two week's treatment. We make the honest offer of a cure or return your money. Thousands of testimonials. Correspondence treated strictly confidential. FIVE day treatment sent free with a book of rules for health, diet and advice. The greatest relief has been those who have failed with other treatments. This remedy is regularly used in the French and German armies, and the soldiers in these countries are models of strength and vitality. Write for sample sent securely sealed in plain wrapper.

Address DR. KOHR MEDICINE CO., P.O. Drawer L, 2341, Montreal.

Gray's Syrup of Red Spruce Gum
For Coughs and Colds.

In Hot Water

Is a good place to put cold feet, but when a man wants warm, dry feet without this trouble, the place to put them is inside a pair of Waterproof Shoes. The most popular shoe for winter is

Royal "Viscolized Soles"

With storm calf uppers. Viscolized Soles make a shoe as near waterproof as it is possible to make them. Try a pair and there'll be harmony and good will all around.

\$5 a Pair.

THE SPORT REVIEW
MATCH FOR INTERMEDIATE CHAMPIONSHIP.

Between R.M.C. I and 'Varsity II Here To-Morrow—McGill Have Been Practising Hard to Defeat Queen's.

Ottawa College will play 'Varsity II in Toronto to-morrow. The chances are nine out of ten that McGill will win from Queen's in Montreal to-morrow, though we hope they will not.

President Darroch, of the O.H.A., will make his appointments this week. It is more than likely that they will be western men.

Clubs desirous of playing in the O. H.A. should notify the secretary at once. The secretary's address is: W. A. Hewitt, Daily Star office, Toronto.

The Montreal Hockey Club is to lose two of its most useful players, Sargent and Coulson having decided to throw in their lot with Westmount.

In case the Ottawa Victorias, junior champions of the C.A.H.L., cannot get into senior ranks in the east, they are going to make application for admission to the senior series of the O.H.A.

Although football has been dormant in Brockville for the past four years, an agitation is now on foot to re-organise a senior team for next year, and if possible make application for admission to the Quebec union.

The New Zealanders won from the Midland counties by 21 to 5, and defeated Surrey by 14 to 0. The Midland's goal was scored by W. J. W. The New Zealanders since the beginning of their English tour.

Toronto Telegram: It has been suggested by the Harvard Bulletin to abolish football. If this were to go into effect in Hamilton or Ottawa it would throw a lot of good men out of work.

The Rochester Yacht Club has accepted the challenge of the Royal Canadian Yacht Club of Toronto for a series of races for the Canada's cup in 1907. Signed conditions will be forwarded this week.

The International Hockey League clubs are scouring the east to fill up their ranks for the season. The Soo club has eyes on McRobie, who has figured on the defence of the 'Brookville club for the past few years.

The Toronto Argonauts have challenged 'Varsity for the Toronto city championship. The collectors are considering the challenge and may play the city team after they get through with Ottawa. They will show the Argonauts under.

McGill have been practising hard all week and are in shape to give the Queen's athletes a hard battle to-morrow. How much have Queen's practices? The fact is that Queen's has done a lot of winning (and losing too) in years past on very little practice.

Hon. George P. Graham has evidently come to the conclusion that the "only way" is to work up his interest in a snap-back match, is to place a ten spot on one of the teams. Then he'll watch the contest till the finish and be very much interested.

Arrangements are complete for an exhibition game of rugby under the snap-back rules on the M. A. A. A. grounds at Montreal, to-morrow between the Hamilton, Tigers, senior O. R. F. U. champions, and the Toronto Argonauts, who gave them such a hard tussle on 'Varsity field last Saturday afternoon.

Toronto Telegram: There must indeed be a kinder feeling 'twixt Dr. Clark, who ran for the O.H.A. last Saturday, and William Randolph Hearst, who ran for the position of mayor of New York, because, you see, they were practically up against the same thing, viz. too many proxies, in the hands of a Tammany element.

Toronto Globe: The dark-lantern brigade in the east is busy with plans for the re-organization of the C.A.H.L., which will leave the Toronto League in the air. If things go on as they are supposed to go, and as both Ottawas and Wanderers seem to like them to go, the clubs now seen in the light of organization will be: Montreal, Victoria, Shamrocks, Ottawas, Wanderers and one other.

At Belleville, to-morrow afternoon, Gananoque and Toronto Victorias meet in the O.H.A. junior semi-final. Judging from the quality of junior teams in the west in past years, Gananoque shouldn't have much chance. For instance, the Limestones, of the past two years, would make a holy show of the juniors teams playing in this district this season.

To-morrow afternoon on the military college campus, R.M.C. I and 'Varsity II will play for the Intercollegiate Intermediate rugby championship. The cadets won in Toronto last Saturday by eighteen to six, and should give 'Varsity an even better trimming to-morrow. The military boys won the same championship last year, and have practically won it again.

The indications are that the match to-morrow on Yale field will be wide open football. Yale has departed from her traditional style of close and heavy formations and has developed a game in which speed and precision are the things. There are rumors from behind the gates that Yale has something in the way of new plays, which will still further open up the game. Yale is the favorite against her old rival, Harvard.

Boxing had nails driven in its coffin at St. Louis. There are no more fights as long as there is no distinct line between the purely scientific boxing bouts and the prize fights it will be.

FILE OF SAWDUST.

Largest in World is at Cheboygan, Mich.

Wood Crafts.

Probably the largest sawdust pile in the world is the one at Cheboygan, Mich. This is the product of one mill, being run by water power, had no way of disposing of its sawdust. The company was not permitted to dump it into the river, and for a few years an attempt was made to burn it.

There was so much smoke that the village passed an ordinance. As a consequence it was simply hauled out to a vacant field, and during the thirty years of its growth has acquiring monstrous proportions. It is a hill 1,000 feet long, 875 feet wide, and ranges from twenty to fifty feet in height.

The hill covers some twelve acres. It is almost entirely white and Norway pine sawdust, because this mill did not cut hemlock, except for the last two or three years, before it was closed down. The pile is undoubtedly rotting a little at the bottom, but it is so covered with a bright sheen that it is not so. The top and sides, having eroded over from a protection for the sawdust underneath. In its present state it contains rather too much moisture to admit of being used for fuel without treatment by some process of drying.

A number of chemists have examined it with a view to extracting the chemicals it contains, but as yet nothing has been done in this direction. There is no question but that it has a considerable chemical value, and probably the time will come when someone will find a way of working it up profitably.

Bath Brevities.

Bath, Nov. 16.—Harry Hogle, Kingston, visited here this week with his mother, Mrs. S. Hogle, H. and A. Calder, who have been working at the Hotel, are visiting here for a short time. Rev. H. S. Spence and Miss Spence, Tanworth, visited here for a few days. Mr. Spence also conducted services in the Methodist church, here, on Sunday last. Rev. W. Seaman, a returned student from Tanworth, where he conducted services in the Methodist church there for Rev. Mr. Spence. The last storm caused very muddy roads in this vicinity. The station Niagara called here on Thursday for a cargo of apples. Greater quantities of apples, etc., have been shipped from this port, this year, than for a long time previous. Ernest Shephard has returned from his trip to Edmonton.

Nearest Star To Solar System.

Alpha Centauri, a bright star of the southern hemisphere, not visible in the United States, is the nearest star to the solar system. It is 275,000 times as far from the earth as is the sun. The light of this nearest star requires four and one-third years to travel to the earth. Yet other stars are so much farther away from the earth that the distance to Alpha Centauri is a mere yardstick with which to measure their greater distances.

"Three Swallows."

Sir John Power and Son's "Three Swallows" Irish Whiskey, famous for over a century. Of highest standard of purity. Distillers to His Majesty the King.

"A Love of a House"

(Two cents per word.)

is a nice neighborhood—and an reasonable! Just run down the "Houses for Rent" column in "The Globe" to-day. You'll see this house and many others—just what you are looking for. You'll always find what you want advertised in "The Globe" Toronto.

MURAD
TURKISH CIGARETTES
S. ANARGYROS.

Plain Tips, 15c. per box.

continue so. Pure boxing is to be encouraged but as long as the authorities are open to have a prize fight worked off on them under the guise of a scientific exhibition, so long will there be a tendency to restrict the game.

The Toronto Star shouldn't conclude that because there was a \$1,200 gate for the Hamilton Tiger-Argonaut contest in Toronto last Saturday, the popularity of the snap-back system is proven. Not by any means. The people of Toronto wanted to see the much-heralded Tigers and really didn't care if they had played lawn tennis on the 'Varsity field. As for the game itself, it was one of the deplorable exhibitions ever played in Toronto. Old scrimmage devotees were tired before the first quarter had been played.

IN OUR OWN CIRCUIT.

News of The District on Both Sides of The Line.

Mrs. John Moran, Fitzroy, is dead, in Annapolis, aged ninety-five.

Mrs. Maria Furnstone, aged fifty-two, is dead, in Belleville. She was a Methodist.

Annie, the small daughter of John O'Brien, Belleville, is dead, from diphtheria.

Martin Manion, Annapolis, has sold the Manston house, to James O'Donnell, Warren, for \$11,000.

Miss Mary Driscoll, who died, rather mysteriously, in New York, from oxalic acid poisoning, will be buried in Prescott, her former home.

Mrs. James Bourk, born in Riverstown, county Sligo, Ireland, and married, last March, in Liverpool, is dead, at Brockville.

On November 15th, the Rev. W. Burnett, D.D., united in marriage Morgan Sherman, Maidland, to Miss Ethel Mott, one of Athens' charming young ladies.

County Councillor Stafford, presented Rev. T. Austin Smith, with a well-filled purse of gold, on behalf of the Anglican congregation at Lyn. Rev. H. B. Battstone, who will be locum tenens during Mr. Smith's absence, was introduced at the gathering.

Mistakes Of Liquor Men.

Canadian Sportsman.

If those responsible for the management of the Liquor Dealers' Association had been honest guardians of the public and true interests of their trade, they would have insisted upon the expulsion of every member who failed to strictly observe the provisions of the liquor license law under which he was working. Instead of this, they defended every member, no matter what his offence against the act. Notwithstanding how many times he was charged with violating its provisions or how obvious his house became in the estimation of the more respectable portion of the community in which it was located, the same eager desire to defend him by the association's solicitor was displayed as if he was being persecuted instead of legitimately prosecuted.

It has been this line of action that alienated the respect of the people and disgraced a liberal portion of the best men in the business. So much so that large numbers of the latter have of late refused in any way to recognize or support the association.

BE READY FOR CROUP

And Insist on Having the Time-Tested Medicine, Dr. Chase's SYRUP of Linseed and Turpentine

It is not a question of whether you will need a treatment for coughs, colds and croup in your home, but the question is, will you select the most effective medicine, or simply be satisfied to take whatever your druggist happens to hand out to you?

Time and experience have proven that you can depend on Dr. Chase's Syrup of Linseed and Turpentine at such times.

It is only necessary to remember this when the critical time comes, and to insist on getting what you ask for.

Should you have children who are subject to croup, you had better keep a bottle of Dr. Chase's Syrup of Linseed and Turpentine in the house, for when the choking spasm comes on there is little time to send for doctor or medicine.

It seems scarcely necessary to dwell on the merits of Dr. Chase's Syrup of Linseed and Turpentine as a cure for croup, bronchitis, whooping cough, etc. Most of us have known it from childhood up. It is almost as familiar as Dr. Chase's Receipt Book.

G. N. Morrison, 34 Fuller St., Toronto, Ont., writes: "Gentlemen,—If it should be any satisfaction to you to know (as it certainly has been mine in the past) permit me to say, that I have used Dr. Chase's Syrup of Linseed and Turpentine in my family for years, and found it from experience to be the best cough medicine. I suppose I have used eight bottles this past winter, my children will have nothing else, and the best of results invariably ensue. I have also recommended it strongly. If this unsolicited testimonial is of any service to you, the pleasure is mine in transmitting it. Being pleasant to the taste, it is readily taken by children. Because it brings quick relief to the sufferer from asthma, bronchitis, whooping cough, and all the most serious diseases of the throat and lungs, it is invaluable as a household medicine, 25c. a bottle, at all dealers."
