A NEW COMPANY IS BEING FORMED.

The Boats Will Only Touch at American Ports-The Capital Stock Has Been Subscribed. Buffalo, N.Y., Nov. 18.-Several Buffalo men, headed by Capt. M. J. Galvin, and associated with Wheeler, a steamboat man of Detroit, and some Pittsburg capitalists, forming the Niagara and St. Lawtence Steam Navigation company which will be known as the American line. The company is now in process of incorporation and the capital stock has been subscribed. Two new steamers, the Chippewa and Iroquois, now operating on Lake Michigan, have been bought and will be taken Lake Ontario to be used next summer. The vessels will run between Lewiston and Alexandria Bay and will touch only at American ports. The company has made arrangements for dockage at Lewiston.

CHINA'S GIFT TO JAPAN. Presented Neighbor With \$1,500,- 4.06 000 Worth of Salt.

Tokio, Nov. 18 .- It is stated in the newspapers that the government late ly applied to the Chinese government to relax its prohibition of the export of salt, Japan's salt works having been a partial failure last summer China sesponded, giving outright million and a half dollars' worth of "salt in consideration of the neighborly relations of the two nations. This is regarded as indicative of the hopeful character of the negotiations that are now in progress at Pekin.

Lived Year With Broken Neck. Philadelphia, Nov. 18/-With the death of George Handforth, twenty eight years old, at the Methodist hospital, yesterday, ends a remarkable case of survival of a man with a broken neck. For fifteen and a half months Handforth lay on air and water mattresses, suffering no pain, unable to move any muscles except ing those in his forearms, always conscious, but gradually wasting away. From a stalwart young man weighing 160 pounds, Handforth fell away until he weighed at the time of his death only thirty-four pounds,

Looking For The Men. A theft at Lansdowne was reported to the police on Saturday morning.
