Red Rose Tea Uniformity

A TEA that is good to-day and poor to-morrow is un-

Have you ever noticed variations in the quality of the tea you use? One package good, the next bitter, herby, perhaps weak and insipid.

A lack of expert knowledge by the tasters and blenders of that tea produced that result. There was a failure at a vital point, an ignorance of combining qualities in teas, poor judgment in the blending of that maker's teas, a weakness which invariably gives just such results as your poor

Every chest of Red Rose Tea is tested at the gardens, again by the Eastern Red Rose shippers, then at the Red Rose warehouse upon its arrival before blending; after that an experimental blend is tested, and the final of actual blend is also tested before being packed.

Nothing is left to change. That is why that "rich fruity flavor" is always present in Red Rose Tea.

Why Red Rose Tea is always uniform, why
