Goldsmith, Frank Dolan, and Fred.

Montreal Gazette : Ottawa and Wanderers will probably outclass the other members of their league, just as Victorias and Quebec will probably out class the teams of the C.A.H.L., and the big clubs do not look forward with enthusiasm to schedules in which only one or two of the games may have a direct bearing on the championship. Spectators at the Fitzsimmons training quarters in San Francisco are getting much for nothing. "Bob" sails in in practice as hard as he does when out for the coin. Monday afternoon, as a fitting conclusion to a grueling three rounds with a big, lank amateur, both swung their rights to the

According to an Ottawa Exchange the executive of the Rough Riders are not very sweet on the present nom de guerre of the ex-champions, and they have been trying for some time to lose the appelation, which is so entirely unsuited to their team of lambs, "Ottawas" is a name more their liking, they say.

jaws simultaneously, and each took

The committee appointed by the National Skating association of the United States for the revision of the records will recommend that the records made by Champion Morris Wood, the national titleholder for sixty yards, itto yards and 220 yards, be stricken from the record tables on Wood's own frank admission "the the tape which measured the course was short, but was the only one pro

curable at the time." The feature of the athletic world of 1905 has been the display of football given in the old country by the New Zealanders. It is agreed by all who have seen them play that nothing like it has ever been seen under English rules, and from all accounts it is in back division work that the men from the antipodes excel, that there is a more direct connection between forwards and the backs than has ever existed before in any football com-
