### Distant Projects Trap for Earnings

A very interesting item appeared in the Whig columns lately, under the above heading, referring to the folly of being lured into investing money in distant projects, managed by no one hardly knows who, and which in many cases prove to be traps for hard- by the railway. The sweeper had gone and had a conversation with the prisearned savings.

"INVESTMENTS IN HOUSES AND LANDS, which are constantly under the eye of the investor, are much safer and more satisfactory."

### Why Not Put Your Savings in Real Estate?
