FASHION'S FORM

A Smart School Suit of Serviceable Quality.

Quality is a most important consideration in the school girl's dress...

In the very best families the daughters of a school age are dressed in simplest fashion...

Good materials are used and in cut and fit and finish the garments are of a singular absence of trimmings...

The new fabric "griffonette" which has been introduced in this suit...

The suit illustrated is of a specially smart cut, the circular skirt seamed in the front and back...

Three thick tufts disposed about eight inches apart are its only trimming...

The coat is of box shape, the back form having two inverted pleats and being loosely fitted at the waist line...

Heavy machine stitching finishes the suit, the green is of the color of a specially smart cut...

The total tonnage of vessels in the foreign trade at ports in the United Kingdom last year amounted to 137,390,150.

With New Blood In the Arteries

You Will Feel New Vigor and Confidence Throughout the Whole Body.

Dr. Chase's Nerve Food

Do you know what it is to feel well—to feel young and healthy and vigorous...

Not in any miraculous way—not at the first dose of first, but it may be, but when your system has been gradually built up...

Dr. Chase's Nerve Food is a wonderful medicine, but its wonders are accomplished in Nature's way...

Not in any miraculous way—not at the first dose of first, but it may be, but when your system has been gradually built up...

Dr. Chase's Nerve Food brings about lasting beneficial results by forming new blood and creating new nerve force.

George W. Lawson, a farmer living near Concession, and well favored by many throughout Prince Edward county, Ont., writes:

"About one year ago I was taken sick, and felt myself falling every day. I consulted and doctored with several eminent physicians, but received no permanent benefit...

"This treatment helped me from the first, and I continued to keep it up for six months, when I was fully restored to health...
