

INTERESTING FACTS.

For Nearly Every Man, Woman or Child.

A short time ago we published an article recommending to our readers the new discovery for the cure of Dyspepsia, called Stuart's Dyspepsia Tablets...

From James Yenniesler, LaCrosse, Wis.: Stuart's Dyspepsia Tablets are doing me more good than anything I ever tried and I was pleased at results that I gave away several boxes to my friends who have also had the same benefit.

From Mrs. M. K. West, Preston, Minn.: I have received surprisingly good effects from using Stuart's Dyspepsia Tablets. I gave one-half of my last box to a friend, who also suffered from indigestion and she had the same good results.

From Mrs. Agnes K. Ralston, Cadillac, Mich.: I have been taking Stuart's Dyspepsia Tablets and I am very much better, and feel very grateful for the great benefit I have received in so short a time.

Stuart's Dyspepsia Tablets are a certain cure for all forms of indigestion. They are not claimed to be a cure-all, but are prepared for stomach troubles only, and physicians and druggists everywhere recommend them to all persons suffering from indigestion, dyspepsia, sour or acid stomach, heartburn, bloating or wind on stomach and similar disorders.

Dr. Chase's Ointment is a certain cure for all forms of skin diseases, such as eczema, itching, and protruding veins. See testimonials in the lower right-hand corner of this page.
