SAVED SUFFERING AND BROUGHT BACK HEALTH -DR. AGNEW'S GREAT HEART CURE AND CATARRHAL POWDER DEFY DISEASE AND NEVER RAIL IN THEIR MISSION OF HEALING

"I feel so thankful at the restored health of my daughter that if any use can be made of this I shall be pleased." This is what Mr. George Weels, of Elora, Ont., says in ing his testimony to the wonderful curative qualities of Dr. Agnew's Cure for the sart. Mr. Weels' daughter was a great sufferer from heart disease and nervousness. On the New York hockey teams. The ewas unable to lie on her left side. She ran down in health and her recovery was source of anxiety. Induced by friends, who had proved its worth, she obtained Dr. new's Cure for the Heart and before one bottle had been taken was able to lie in | who attended school at Lennoxville, resonanced. Yes, this great remedy is a cure for all ailments of the heart, stomach only four native-born players: the and nerves, and the instantaneous relief given by it has snatched thousands from death's law. Don't trifle a minute if you have the slightest evidence of heart disorders, such as palpitation, fluttering or uneasiness. This remedy will relieve such troubles club team is captained by Castleman,

When I know a thing is worthy of a recommendation I consider it my duty to tell of The Rev. James Murdock, of Harrisburg, Pa., says this after having been cured in a very malignant form of catarrh by Dr. Agnew's Catarrhal Powders. What he can pair from indigestion, dyspepsia and too hearty eating, is relieved at once by taking one of Carter's Little Liver Pills immediately after dinner.

Don't forget this.

On the outskirts of Dorchester But you must get the genuine pills you will find him in a red brick house, with the full name, Dr. Williams' surrounded by tall trees that hide the Thomas Hardy, recluse and genius, lives and writes. I do not think it is generally known that the first novel Thomas Hardy wrote was never pub-Medicine Co., at 50c. a box, or six lished. He was not much over twenty at the time, and the novel in question was called "The Poor Man and the Lady." It is not an ordinary story by any means, for it was packed with Farmer reports the following interest powerful writing embodying some strong revolutionary and anti-social

In due time the novel was sent to a publisher, and by a strange chance hand was no other than Mr. Meredith. 863.29. The cost of keeping each He sent for Hardy and told him that cow was \$21.41, leaving us a net although he thought the book was profit on each of \$41.88. The four publishable, he suggested that the winter cows each averaged 222 pounds | young author should assume a gentler of butter fat at 22c., or \$48.89, the guise for his first novel. Hardy there cost of keeping \$19.25 per cow, and and then asked him to be allowed to the net profit \$29.65 per cow. The withdraw the book, and going home four spring cows averaged 1691 pounds he sat down and wrote another-his of butter fat at 22c., or \$37.29. It first novel published-"Desperate Remcost \$15.65 a head to keep them, edies. In the old country town of Dorches-

leaving a profit on each cow of ter they tell a curious story of Hardy's early days, which, if it is true, suggested "Tess of the D'Urbervilles" to Hardy. As a youngster he used to go to school in Dorchester, and while there he and another boy became acquainted with a very beautiful woman who was the wife of a publican. The she said, after a while, "they must publican, however, was a scoundrel, and treated her so badly that at last, driven to desperation, she killed him with a knife. In due course she was tried and condemned to death. Then, impelled by the fascination for the gruesome, which is so strong in school boys, Hardy and his chum went to the prison on the day of the execution and climbed up a tree which Prevost, Brock street, will sell for balance of this season, at the follow-ing low prices: Splendid suiting made overlooked the prison yard, and from this position they witnessed the excto order, \$13.50; pants to order, \$4;

> If the inhabitants of Dorchester are to be believed, then there can be no doubt that it was this incident which gave Hardy the idea for "Tess." Nevertheless Thomas Hardy has confessed that he only saw the original of "Tess" on one occasion, and then she was riding in a cart in Dorset. Yet the swift glimpse caught of her so impressed him that it started in his fruitful brain the wonderful story greatest novels of the last century. dresses as simply as he lives, as, in-

deed, all geniuses have done since the beginning of history. If he has an aversion for one particular item of dress it is for the great coat, and the coldest weather will not persuade him to wear one. When the weather begins to get cold he puts on a thick waistcoat made of sheepskin in the old-fashioned country style. Then as the weather becomes colder he puts a woollen waistcoat above this and adds waistcoat after waistcoat according to the tempera ture until he is wearing four or five.

n the depth of the winter.

Hardy built his own house on ground he purchased from the Duchy of Cornwall. It is now, of course, very unusual for the Prince of Wales to sell any part of the estate, but when Hardy's quest for a piece of ground was received the king, who was ther Prince of Wales, asked if it was Hardy the novelist-of whose work, by the way, he has always been a great admirer. When he was informed that it was, he said, "We must do all we can to encourage these British authors." neck, and was for several months And so Hardy got the ground. The under professional treatment, but became worse. My face was dreadfully disfigured, and I lost nearly all my hair. My wife prevailed upon me to try the Cuticura Remedies, which I hang a number of clever drawings by did with most satisfactory results, the disease disappearing and my hair growing thicker and glossier than beporch will be seen an old door which was the identical door of the Bloody Assize at the time when Judge Jeffreys held court at Dorchester. It is possible that Hardy will never write another novel, for he has no turned his attention to poetry. He

Robert Isaac Pinnemore (Judge of the Natal Supreme Court), Pietermaritzalways remembers the remarks made by the great critic, Coventy Patmore, who assured him that "A Pair of And Itching, Burning Eruptions, Blue Eyes" should have been written in verse. In those days Hardy could not afford to write poetry, but now that he has won fame and fortune The Cuticura Treatment is at once with his novels, he can afford to turn agreeable, speedy, economical, and comprehensive.
