THE VALUE OF CHARCOAL.

Few People Know How Useful it is in Preserving Health and

Nearly everybody knows that charcoal is the safest and most efficient disinfectant and puritier in nature, but few realize its value when taken into the human system for the same cleans-

Charcoal is a remedy that the more you take of it the better; it is not a drug at all, but simply absorbs the gases and impurities always present n the stomach and intestines and carries them out of the system.

Charcoal sweetens the breath after smoking, drinking or after eating onions, and other odorous vegetables. Charcoal effectually clears and improves the complexion, it whitens the seeth and further acts as a natural and eminently safe cathartic. it has thoroughly cured thousands of It absorbs the injurious gases which ollect in the stomach and bowels; it

disinfects the mouth and throat from the poison of catarrh. All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is in Stuart's Charcoal Lozenges; they are composed of the finest powdered Willow charcoal, and other harmless antiseptics in tablet form or rather in the form of large, pleasant tasting lozenges, the charcoal being

mixed with honey. The daily use of these lozenges will soon tell in a much improved condition of the general health. better complexion, sweeter breath and purer blood, and the beauty of it is, that no possible harm can result from their continued use, but on the contrary

reat benefit. A Buffalo physician in speaking o the benefits of charcoal says: "I ad-Miss Melletta Lovst, Hawley, had a vise Stuart's Charcoal Lozenges to al she was presented by Rev. F. T. to Be Eggs Plentiful-Fowl Prices High Good Attendance The market, this morning, was one and electrical spectacular revival of of the best in many respects, for the the great and everlasting celebrated superiority of the produce offered; the masterpiece of Harriet Beecher Stowe full attendance of farmers and the entitled "Uncle Tom's Cabin," will be leager briskness of the buying. The

sold at 30c. and 35c. a dozen. As several farm women remarked, "We (cannot tell how eggs have become so plentiful as the hens are not laying in any great quantity." There was a good supply of butter at 23c, to 25c. a lb. All fowl was scarce, and commanded high prices. A few turkeys were offered at from 81.50 to \$2.25 each; chickens were 75c, to 81 a pair; fowl sold readily at 81 to \$1.25 a pair. There were no ducks. It was just cool enough to bring out the butchers and meat was plentiful at stendy prices : Beef. 44e. to 6c. a lb.; pork, 9c. to 10c. a ib.; maxton, 6c. to 8c.; lamb, 9c. to 11c. The vegetable

supply was first-class. An Old Resident Gone. Forfar, Jan. 25,-Mrs. Jane Lasher Stock is wintering well, owing to the P. Dunham, and again on Tuesday, of Mrs. Dunham, both of whom died of pneumonia, in Heuvelton, N.Y. Thomas Myers has recovered from his ill-

They Work While You Sleep. Every reader will recognize the title as the famous catch-line of Cascarets, Candy Cathartic, familiar to every household, "Work while you sleep," was the motto of Mai, H. L. Kramer, the man who made Cascarets famous. before he recorded his wonderful success with this wonderful medicine. others slept, but worked while he slept himself. Now he lets newspaper
