was met with a face turned toward the work given to be done. Then came the last hours of longing for human sympathy filling a human heart. He goes and prays "Father if it be possible let this cup pass from Me, nevertheless not as I will, but as thou wilt." "Watch ye and pray lest ye fall into temptation." And so it was the last. Everywhere self was gotten and Himself consecrated to the work.

Then look for a moment at the moral character of the work. It was one of steadfast obedience, fidelity to duty, Christ never turned from pathway of duty. Through joy or woe, pain or pleasure, the buffetire or ac clamations of the multitude He never flinehed or retraced His steps. A new The pulpit of St. Andrew's church and higher ideal of duty thus goes home. was occupied at last evening's service forth that influences and quickens the conscience of man and everywhere are we as individuals and as nations raised Sydenham, England, who preached an to a power and strength never before carnest sermon on the sovereignty of reached. Then there is the great love Christ, laying stress particularly upon | behind all. The consciousness of an eternal love ever before Him. It was all consecrated in three years of service with a beart filled with love. He longed to lead the multitude to better things and yearned to gather them to the Father's bosom. This love shines forth just as brilliantly in the lowly places as it does among the high and exalted. Like duty it is of no estate, God Himself is love, Christ so loved the world that he gave himself up as the world's atonment for sin.
