

MUST BE SOLD

Never in the history of the clothing business in Kingston have you had such an opportunity to buy **MEN'S, YOUNG MEN'S AND BOYS' CLOTHING**, at such ridiculously low prices, as will be offered to the public, commencing Saturday, February 10th, and continuing

FOR 10 DAYS ONLY

Understand **THE STOCK OF RONEY & CO. MUST BE CLEARED OUT**. The reputation of this firm for carrying only high class reliable goods is well known, and when such a stock is placed on the market, at slaughtering prices, it means considerable to the buying public. When you consider that woollen goods of all kinds are advancing in price (the price of wool to-day on the Montreal market being 35 cents per pound), over double what it was a year ago, this certainly is a great chance for you to lay in a supply of wearing apparel at a great saving. Remember, even though the price of wool should go down next summer, it will be almost two years before the consumer will receive the benefit. Therefore we advise you to take advantage of this, **YOUR LAST CHANCE**. Even if you have to borrow the money, do so, for it will pay you. When we tell you this stock must be cleared out, **WE MEAN IT. THE ORIGINAL COST WILL NOT BE CONSIDERED**. Everything must go. Remember this is a comparatively new stock. No old shop worn or moth eaten goods in the store, as it has always been the policy of this firm to clear out any lines that proved to be slow sellers. Look over this list, we have not space enough to enumerate everything. Values have not been inflated for the purpose of this sale. We can prove in black and white all we state.
